

## Ross Stores Reports July Same Store Sales Gain Of 7%, Increases Second Quarter Earnings Estimate

August 2, 2012

PLEASANTON, Calif., Aug. 2, 2012 /PRNewswire via COMTEX/ --Ross Stores, Inc. (Nasdaq: ROST) today reported that sales increased 12% to \$709 million for the four weeks ended July 28, 2012, up from \$635 million for the four weeks ended July 30, 2011. Comparable store sales for the month grew 7% on top of a 7% increase last year.

For the quarter ended July 28, 2012, sales totaled \$2.341 billion, a 12% increase over the \$2.089 billion in sales for the quarter ended July 30, 2011. Same store sales for the quarter ended July 28, 2012 also increased 7% on top of 5% growth last year.

For the six months ended July 28, 2012, sales totaled \$4.698 billion, a 13% increase over the \$4.164 billion in sales for the six months ended July 30, 2011. Comparable store sales for the period increased 8% on top of a 4% gain last year.

Michael Balmuth, Vice Chairman and Chief Executive Officer, commented, "We are pleased with our robust sales gains for both July and the second quarter. These better-than-expected results demonstrate that our ability to provide a wide array of terrific name brand bargains continues to resonate with today's value-focused shoppers, driving broad-based merchandise and geographic trends."

Looking ahead, Mr. Balmuth said, "Based on our above-plan sales and gross margin in July, we now estimate earnings per share for the second quarter ended July 28, 2012 to be \$.80 to \$.81, compared to our previous guidance of \$.77 to \$.78. We will provide sales and earnings guidance for the third and fourth quarters with our second quarter earnings release and conference call on Thursday, August 16<sup>th</sup>."
