Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 1.01 Entry into a Material Definitive Agreement.

Ross Stores, Inc. (the “Company”) entered into a new, senior unsecured revolving Credit Agreement (the “2022 Credit Facility”) on February 17, 2022 (the “Effective Date”) with the lenders named therein, providing the Company with up to \$1.3 billion in borrowing availability, on terms and conditions as described below. Bank of America, N.A., is Administrative Agent, and Bank of America, N.A., Wells Fargo Bank, National Association, and JPMorgan Chase Bank, N.A. are syndication agents and L/C issuers under the new facility.

The 2022 Credit Facility replaces the Company’s previous \$800 million unsecured revolving credit facility, which was entered into in July 2019 (the “Prior Credit Facility”). The 2022 Credit Facility expires in February 2027, and may be extended, at the Company’s option, for up to two additional one year periods, subject to customary conditions, including the receipt of lender consent to such extensions. The new facility contains a \$300 million sublimit for issuance of standby letters of credit. It also contains an option allowing the Company to increase the size of its credit facility by up to an additional \$700 million, with the agreement of the committing lenders.

Interest on borrowings under the 2022 Credit Facility is based on Term SOFR (or an alternate benchmark rate, if Term SOFR is no longer available) plus an applicable margin, and is payable quarterly and upon maturity. The 2022 Credit Facility allows the Company to borrow up to an aggregate principal amount of \$1.3 billion at any time outstanding, on a revolving credit basis, at interest rates selected by the Company, and depending on the Company’s long-term debt credit rating as follows:

- “Term SOFR Rate Loans” bear interest at a variable rate per annum equal to Term SOFR (as defined in the 2022 Credit Facility) plus an adjustment of 0.10%, 0.10%, or 0.25% for an interest period of one, three or six months’ duration, respectively, in each case plus a margin (depending on the Company’s long-term debt credit rating) of between 0.675% and 1.25%; and
- “Base Rate Loans” bear interest at a variable rate per annum equal to the highest of (a) the federal funds rate (as then published by the Federal Reserve Bank of New York) plus 0.5%, (b) Bank of America’s “prime rate” (as then publicly announced), (c) the Term SOFR Rate plus 1.0%, and (d) 1.00%, in each case plus a margin (depending on the Company’s long-term debt credit rating) of between 0% and 0.25%.

The Company is required to pay a commitment fee on a quarterly basis, at a per annum rate of between 0.05% and 0.125% (depending on the Company’s long-term debt credit rating) based on the aggregate unused commitments under the 2022 Credit Facility.

The 2022 Credit Facility includes customary conditions to credit extensions, and customary covenants, including:

- a Consolidated Adjusted Debt to Consolidated EBITDAR ratio, as of the last day of any fiscal quarter, of no less than (a) 4.25 to 1.00 for the four fiscal quarters ending April 30, 2022, (b) 4.00 to 1.00 for the four fiscal quarters ending July 30, 2022, (c) 3.75 to 1.00 for the four fiscal quarters ending October 29, 2022, and (d) 3.50 to 1.00 for the four fiscal quarters ending January 28, 2023 and thereafter;
- restrictions on indebtedness of the Company and its subsidiaries, with a limit on aggregate subsidiary indebtedness of 20% of consolidated tangible net worth of the Company and its subsidiaries;
- limitations on sales of assets, and
- limitations on liens, with a general lien basket of \$100 million.

It also contains customary events of default. If an event of default occurs, then the Administrative Agent may terminate the commitments under the 2022 Credit Facility, and may accelerate any outstanding loans, to the extent permitted in the 2022 Credit Facility.

On the Effective Date, no borrowings are outstanding under the 2022 Credit Facility or under the Prior Credit Facility.

The foregoing description of the 2022 Credit Facility is qualified in its entirety by reference to the complete terms and conditions of the 2022 Credit Facility, which will be filed as an exhibit to the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ending April 30, 2022.

Many of the lenders under the 2022 Credit Facility and the Prior Credit Facility have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services, or other services for the Company and its subsidiaries, for which they have received, and may in the future receive, customary compensation and expense reimbursement.

Item 1.02 Termination of a Material Definitive Agreement.

On the Effective Date of the 2022 Credit Facility, the Prior Credit Facility was terminated. The Prior Credit Facility was terminated because it was replaced by the new 2022 Credit Facility.

The Prior Credit Facility is further described in Note E of the Notes to Condensed Consolidated Financial Statements included in the Company's Quarterly Report on Form 10-Q for the quarterly period ended October 30, 2021, which description is incorporated by reference herein. That description is also qualified by reference to the full text of the Prior Credit Facility and the First Amendment thereto, which are filed as Exhibit 10.3 to the Form 10-Q filed by the Company for its quarter ended August 3, 2019, and Exhibit 10.2 to the Form 10-Q filed by the Company for its quarter ended May 2, 2020, respectively.
