## ROSS STORES REPORTS SECOND QUARTER EARNINGS, ISSUES SECOND HALF 2015 GUIDANCE

Dublin, California, August 20, 2015 -- Ross Stores, Inc. (Nasdaq: ROST) today reported that earnings per share for the second quarter ended August 1, 2015 increased $11 \%$ to $\$ .63$, up from $\$ .57$ in the prior year. Net earnings grew to $\$ 259$ million, compared to $\$ 240$ million for the same period in 2014 . Sales for the fiscal 2015 second quarter rose $9 \%$ to $\$ 2.968$ billion, with comparable store sales up 4\% over the prior year.

For the first six months of the fiscal year, earnings per share increased $15 \%$ to $\$ 1.32$, up from $\$ 1.15$ in the prior year. Net earnings were $\$ 541$ million, up $12 \%$ from $\$ 483$ million last year. Sales for the year-to-date period rose $9 \%$ to $\$ 5.906$ billion, and comparable store sales increased $5 \%$.

Barbara Rentler, Chief Executive Officer, commented, "We are pleased with our solid sales and earnings growth for both the second quarter and first six months. These results reflect that our assortments of compelling name brand bargains continue to resonate with today's value-focused customers."
"While second quarter operating margin of $13.9 \%$ was down from last year, it was slightly better than expected. The quarter benefited from higher merchandise margin and tight expense control that partially offset a planned increase in distribution costs related to recent infrastructure investments."

Ms. Rentler continued, "During the second quarter of fiscal 2015, we repurchased 3.5 million shares of common stock for an aggregate price of $\$ 176$ million. As planned, we expect to buy back a total of $\$ 700$ million in common stock during fiscal 2015 under the two-year $\$ 1.4$ billion authorization approved by our Board of Directors in February of this year."

Looking ahead, Ms. Rentler said, "While we hope to do better, we are maintaining a cautious outlook for the second half when we face more challenging sales and earnings comparisons. In addition, the macro-economic and retail landscapes remain uncertain. For the third quarter ending October 31, 2015, we are forecasting same store sales to increase $1 \%$ to $2 \%$ on top of a $4 \%$ increase in the prior year and earnings per share of $\$ .48$ to $\$ .50$, up from $\$ .46$ in last year's third quarter. For the fourth quarter ending January 30, 2016, we are projecting same store sales to be flat to up $1 \%$ versus a $6 \%$ gain in the prior year, and earnings per share of $\$ .60$ to $\$ .63$ compared to $\$ .60$ in last year's fourth quarter. For fiscal 2015, earnings per share are now forecast to be in the range of $\$ 2.40$ to $\$ 2.45$, up $9 \%$ to $11 \%$ from $\$ 2.21$ in fiscal 2014 ."

As a reminder, all earnings per share results and forecasts for both the current and prior year reflect the Company's recent two-for-one stock split that became effective on June 11, 2015.

The Company will host a conference call on Thursday, August 20, 2015 at $4: 15$ p.m. Eastern time to provide additional details concerning its second quarter results and management's outlook for the remainder of the year. A real-time audio webcast of the conference call will be available in the Investors section of the Company's website, located at www.rossstores.com.
