## ROSS STORES REPORTS FIRST QUARTER EARNINGS, ISSUES SECOND QUARTER 2016 GUIDANCE

Dublin, California, May 19, 2016 -- Ross Stores, Inc. (Nasdaq: ROST) today reported earnings per share for the 13 weeks ended April 30, 2016 of $\$ .73$, for a $6 \%$ gain on top of a robust $19 \%$ increase in the prior year period. Net earnings for the 2016 first quarter were $\$ 291$ million, up from $\$ 282$ million last year. Sales increased $5 \%$ to $\$ 3.089$ billion, with comparable store sales up $2 \%$ on top of a strong 5\% gain in the first quarter of 2015.

Barbara Rentler, Chief Executive Officer, commented, "Even though we faced our strongest prior year comparisons, sales performed at the high end of guidance, while earnings per share were slightly above our targeted range. Operating margin for the period of $15.4 \%$ was down from last year, but slightly above plan, mainly due to higher merchandise margins that partially offset the expected impact from the unfavorable timing of packaway-related costs."

Ms. Rentler said, "During the first quarter of fiscal 2016, we repurchased 3.1 million shares of common stock for an aggregate price of $\$ 176$ million. This keeps us on track to buy back a total of $\$ 700$ million in common stock during fiscal 2016, which would complete the two-year $\$ 1.4$ billion authorization approved by our Board of Directors in February 2015."

Looking ahead, Ms. Rentler commented, "We continue to forecast same store sales for the second quarter ending July 30, 2016 to be up $1 \%$ to $2 \%$, on top of a $4 \%$ gain last year, with earnings per share of $\$ .64$ to $\$ .67$, up from $\$ .63$ in the prior year period. Based on our first quarter results and guidance for the second quarter, we now project earnings per share for fiscal 2016 to be in the range of $\$ 2.63$ to $\$ 2.72$, compared to $\$ 2.51$ last year."

The Company will host a conference call on Thursday, May 19, 2016 at $4: 15$ p.m. Eastern time to provide additional details concerning its first quarter results and management's outlook and guidance for the second quarter of fiscal 2016. A real-time audio webcast of the conference call will be available in the Investors section of the Company's website, located at www.rossstores.com. An audio playback will be available at 404-537-3406, PIN \#2995802 until 8:00 p.m. Eastern time on May 26, 2016, as well as on the Company's website.

Forward-Looking Statements: This press release contains forward-looking statements regarding expected sales, earnings levels and other financial results in future periods that are subject to risks and uncertainties which could cause our actual results to differ materially from management's current expectations. The words "plan," "expect," "target," "anticipate," "estimate," "believe," "forecast," "projected," "guidance," "looking ahead" and similar expressions identify forward-looking statements. Risk factors for Ross Dress for Less ${ }^{\circledR}$ ("Ross") and dd's DISCOUNTS ${ }^{\circledR}$ include without limitation, competitive pressures in the apparel or home-related merchandise retailing industry; changes in the level of consumer spending on or preferences for apparel or home-related merchandise; market availability, quantity, and quality of attractive brand name merchandise at desirable discounts and our buyers' ability to purchase merchandise that enables us to offer customers a wide assortment of merchandise at competitive prices; impacts from the macro-economic environment, financial and credit markets, and geopolitical conditions that affect consumer confidence and consumer disposable income; our ability to continually attract, train and retain associates to execute our off-price strategies; unseasonable weather trends; potential data security breaches, including cyber-attacks on our transaction processing and computer information systems, which could result in theft or unauthorized disclosure of customer, credit card, employee, or other private and valuable information that we handle in the ordinary course of our business - such breaches of our data security, or our failure or delay in detecting and mitigating a loss of personal or business information, could result in damage to our reputation, loss of customer confidence, violation (or alleged violation) of applicable laws, and could expose us to civil claims, litigation and regulatory action, and to unanticipated costs and disruption of our operations; potential disruptions in our supply chain or information systems; issues involving the quality, safety, or authenticity of products we sell; our ability to effectively manage our inventories, markdowns, and inventory shortage to achieve planned gross margin; volatility in revenues and earnings; an adverse outcome in various legal, regulatory, or tax matters; natural or man-made disaster in California or in another region where we have a concentration of stores or a distribution center; increase in our labor costs; unexpected issues or costs from expanding in existing markets and entering new geographic markets; obtaining acceptable new store sites with favorable demographics; damage to our corporate reputation or brands; issues from importing merchandise from other countries; and maintaining sufficient liquidity to support our continuing operations, new store and distribution center growth plans, and stock repurchase and dividend programs. Other risk factors are set forth in our SEC filings including without limitation, the Form 10-K for fiscal 2015 and 8 -Ks for fiscal 2016. The factors underlying our forecasts are dynamic and subject to change. As a result, our forecasts speak only as of the date they are given and do not necessarily reflect our outlook at any other point in time. We do not undertake to update or revise these forward-looking statements.
