Notes to Condensed Consolidated Financial Statements

Three and Six Months Ended July 30, 2022 and July 31, 2021
(Unaudited)

Note A: Summary of Significant Accounting Policies

Basis of presentation. The accompanying unaudited interim condensed consolidated financial statements have been prepared from the records of Ross Stores, Inc. and subsidiaries (the "Company") without audit and, in the opinion of management, include all adjustments (consisting of only normal, recurring adjustments) necessary to present fairly the Company's financial position as of July 30, 2022 and July 31, 2021, the results of operations, comprehensive income, and stockholders' equity for the three and six month periods ended July 30, 2022 and July 31, 2021, and cash flows for the six month periods ended July 30, 2022 and July 31, 2021. The Condensed Consolidated Balance Sheet as of January 29, 2022, presented herein, has been derived from the Company's audited consolidated financial statements for the fiscal year then ended.

Certain information and disclosures normally included in the notes to annual consolidated financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") have been condensed or omitted for purposes of these interim condensed consolidated financial statements. The interim condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements, including notes thereto, contained in the Company's Annual Report on Form 10-K for the year ended January 29, 2022.

The results of operations, comprehensive income, and stockholders' equity for the three and six month periods ended July 30, 2022 and July 31, 2021, and cash flows for the six month periods ended July 30, 2022 and July 31, 2021 presented herein are not necessarily indicative of the results to be expected for the full fiscal year.

Use of accounting estimates. The preparation of financial statements in conformity with GAAP requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the condensed consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period. The Company's significant accounting estimates include valuation reserves for inventory, packaway and other inventory carrying costs, useful lives of fixed assets, insurance reserves, reserves for uncertain tax positions, employee retention credits under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), and legal claims. The uncertainties and potential impacts from inflation, the Russia-Ukraine conflict, and the ongoing COVID-19 pandemic increase the challenge of making these estimates; actual results could differ materially from the Company's estimates.

Revenue recognition. The following sales mix table disaggregates revenue by merchandise category for the three and six month periods ended July 30, 2022 and July 31, 2021:

	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021
Ladies	25 %	27 %	25 %	25 %

Shoes	13 %	12 %	13 %	13 %
Children's	8 %	8 %	8 %	9 %
Total	100 %	100 %	100 %	100 %

Cash and cash equivalents. Cash equivalents consist of highly liquid, fixed income instruments purchased with an original maturity of three months or less.

Restricted cash, cash equivalents, and investments. Restricted cash, cash equivalents, and investments serve as collateral for certain insurance obligations. These restricted funds are invested in bank deposits, money market mutual funds, U.S. Government and agency securities, and corporate securities and cannot be withdrawn from the Company's account without the prior written consent of the secured parties. The classification between current and long-term is based on the timing of expected payments of the obligations.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash and cash equivalents in the Condensed Consolidated Balance Sheets that reconcile to the amounts shown on the Condensed Consolidated Statements of Cash Flows:

(\$000)	July 30, 2022	January 29, 2022	July 31, 2021
Cash and cash equivalents	\$ 3,903,670	\$ 4,922,365	\$ 5,569,071

Other long-term assets	48,734	48,614	49,206
Total restricted cash and cash equivalents	60,166	60,017	60,007
Total cash and cash equivalents, and restricted cash and cash equivalents	\$ 3,963,836	\$ 4,982,382	\$ 5,629,078

Property and equipment. As of July 30, 2022 and July 31, 2021, the Company had \$24.4 million and \$11.7 million, respectively, of property and equipment purchased but not yet paid. These purchases are included in Property and equipment, Accounts payable, and Accrued expenses and other in the accompanying Condensed Consolidated Balance Sheets.

Operating leases. Supplemental cash flow disclosures related to operating lease assets obtained in exchange for new operating lease liabilities (includes new leases and remeasurements or modifications of existing leases) were as follows:

(\$000)	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021
Operating lease assets obtained in exchange for new operating lease liabilities	\$ 126,236	\$ 117,491	\$ 314,081	\$ 186,661

Cash dividends. The Company's Board of Directors declared a cash dividend of \$0.310 per common share in March and May 2022, and \$0.285 per common share in March, May, August, and November 2021.

On August 17, 2022, the Company's Board of Directors declared a quarterly cash dividend of \$0.310 per common share, payable on September 30, 2022.

Stock repurchase program. In March 2022, the Company's Board of Directors approved a new two-year program to repurchase up to \$1.9 billion of the Company's common stock through fiscal 2023. This new program replaced the previous \$1.5 billion stock repurchase program, effective at the end of fiscal 2021 (at which time the Company had repurchased \$650 million of stock under the \$1.5 billion program). The Company repurchased 5.5 million shares of common stock for \$475.0 million during the six month period ended July 30, 2022. The Company repurchased 1.4 million shares of common stock for \$175.8 million during the six month period ended July 31, 2021.

Litigation, claims, and assessments. Like many retailers, the Company has been named in class/representative action lawsuits, primarily in California, alleging violation of wage and hour/employment laws and consumer protection laws. Class/representative action litigation remains pending as of July 30, 2022.

The Company is also party to various other legal and regulatory proceedings arising in the normal course of business. Actions filed against the Company may include commercial, product and product safety, consumer, intellectual property, environmental, and labor and employment-related claims, including lawsuits in which private plaintiffs or governmental

agencies allege that the Company violated federal, state, and/or local laws. Actions against the Company are in various procedural stages. Many of these proceedings raise factual and legal issues and are subject to uncertainties.

In the opinion of management, the resolution of pending class/representative action litigation and other currently pending legal and regulatory proceedings will not have a material adverse effect on the Company's financial condition, results of operations, or cash flows.

Recently issued accounting standards. In November 2021, the FASB issued Accounting Standards Update (ASU) 2021-10, *Government Assistance (Topic 832): Disclosures by Business Entities about Government Assistance*, to increase the transparency of the effects of government assistance, including disclosure of the types of assistance an entity receives, an entity's method of accounting for government assistance, and the effect of government assistance on an entity's financial statements. The guidance in this ASU will be effective for the Company for its fiscal 2022 Form 10-K. The Company is currently evaluating the impact of this guidance on its disclosures in the consolidated financial statements.

Note B: Fair Value Measurements

Accounting standards pertaining to fair value measurements establish a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. The inputs used to measure fair value include: Level 1, observable inputs such as quoted prices in active markets; Level 2, inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, unobservable inputs in which little or no market data exists. This fair value hierarchy requires the Company to develop its own assumptions, maximize the use of observable inputs, and minimize the use of unobservable inputs when measuring fair value. Corporate, U.S. government and agency, and mortgage-backed securities are classified within Level 1 or Level 2 because these securities are valued using quoted market prices or alternative pricing sources and models utilizing market observable inputs.

The fair value of the Company's financial instruments are as follows:

(\$000)		July 30, 2022		January 29, 2022		July 31, 2021
Cash and cash equivalents (Level 1)	\$	3,903,670	\$	4,922,365	\$	5,569,071
Restricted cash and cash equivalents (Level 1)	\$	60,166	\$	60,017	\$	60,007

The underlying assets in the Company's non-qualified deferred compensation program as of July 30, 2022, January 29, 2022, and July 31, 2021 (included in Other long-term assets and in Other long-term liabilities) primarily consist of participant-directed money market, stock, and bond funds. The fair value measurement for funds with quoted market prices in active markets (Level 1) are as follows:

(\$000)		July 30, 2022		January 29, 2022		July 31, 2021
Level 1	\$	158,223	\$	163,891	\$	176,095

Note C: Management Incentive Plan and Stock-Based Compensation

The Company has incentive compensation programs which provide cash incentive bonuses and performance share awards to key management and employees based on Company and individual performance.

For fiscal 2022, the Compensation Committee of the Board of Directors established the performance measures for determining cash incentive bonuses and performance share awards based on profitability-based performance goals.

For fiscal 2021, the Compensation Committee of the Board of Directors established the performance measures for determining cash incentive bonuses and performance share awards based on profitability-based performance goals and the attainment of specific management priorities related to business challenges from the COVID-19 pandemic, as measured and approved by the Compensation Committee.

Total stock-based compensation expense recognized in the Company's Condensed Consolidated Statements of Earnings for the three and six month periods ended July 30, 2022 and July 31, 2021, is as follows:

Statements of Earnings Classification (\$000)	Three Months Ended		Six Months Ended

The tax benefits related to stock-based compensation expense for the three and six month periods ended July 30, 2022 were \$5.3 million and \$12.8 million, respectively. The tax benefits related to stock-based compensation expense for the three and six month periods ended July 31, 2021 were \$5.7 million and \$11.0 million, respectively.

Restricted stock awards. The Company grants shares of restricted stock or restricted stock units to directors, officers, and key employees. The market value of shares of restricted stock and restricted stock units at the date of grant is amortized to expense over the vesting period of generally three to five years.

During the three and six month periods ended July 30, 2022 and July 31, 2021, shares purchased by the Company for tax withholding totaled 6,751 and 415,216, and 13,627 and 400,593, respectively, and are considered treasury shares which are available for reissuance.

Performance share awards. The Company has a performance share award program for senior executives. A performance share award represents a right to receive shares of restricted stock on a specified settlement date based on the Company's attainment of performance goals during the performance period, which is the Company's fiscal year. If attained, the restricted stock then vests over a service period, generally two to three years from the date the performance award was granted.

As of July 30, 2022, shares related to unvested restricted stock, restricted stock units, and performance share awards totaled 4.6 million shares. A summary of restricted stock, restricted stock units, and performance share award activity for the six month period ended July 30, 2022, is presented below:

(000, except per share data)	Number of shares	Weighted-average grant date fair value
Unvested at January 29, 2022	4,378	\$ 99.58
Awarded	1,466	89.00
Released	(1,106)	89.76
Forfeited	(96)	101.43
Unvested at July 30, 2022	4,642	\$ 98.40

The unamortized compensation expense at July 30, 2022 was \$239.1 million, which is expected to be recognized over a weighted-average remaining period of 2.2 years. The unamortized compensation expense at July 31, 2021, was \$204.9 million, which was expected to be recognized over a weighted-average remaining period of 2.2 years.

Employee stock purchase plan. Under the Employee Stock Purchase Plan (“ESPP”), eligible employees participating in the quarterly offering period can choose to have up to the lesser of 10% of their annual base earnings or the IRS annual share purchase limit of \$25,000 in aggregate market value to purchase the Company’s common stock. The purchase price of the stock is 85% of the closing market price on the date of purchase. Purchases occur on a quarterly basis (on the last trading day of each calendar quarter). The Company recognizes expense for ESPP purchase rights equal to the value of the 15% discount given on the purchase date.

Note D: Earnings Per Share

The Company computes and reports both basic earnings per share (“EPS”) and diluted EPS. Basic EPS is computed by dividing net earnings by the weighted-average number of common shares outstanding for the period. Diluted EPS is computed by dividing net earnings by the sum of the weighted-average number of common shares and dilutive common stock equivalents outstanding during the period, except in cases where the effect of the common stock equivalents would be anti-dilutive. Diluted EPS reflects the total potential dilution that could occur from outstanding equity plan awards and unvested shares of both performance and non-performance based awards of restricted stock and restricted stock units.

For the three and six month periods ended July 30, 2022, approximately 1,509,000 and 747,000 weighted-average shares were excluded from the calculation of diluted EPS, respectively, because their effect would have been anti-dilutive for the periods presented. For the three and six month periods ended July 31, 2021, approximately 4,400 and 2,200 weighted-average shares were excluded from the calculation of diluted EPS, respectively, because their effect would have been anti-dilutive for the periods presented.

The following is a reconciliation of the number of shares (denominator) used in the basic and diluted EPS computations:

Shares in (000s)	Three Months Ended			Six Months Ended		
	Basic EPS	Effect of dilutive common stock equivalents	Diluted EPS	Basic EPS	Effect of dilutive common stock equivalents	Diluted EPS

As of July 30, 2022, January 29, 2022, and July 31, 2021, total unamortized discount and debt issuance costs were \$20.6 million, \$22.7 million, and \$24.8 million, respectively, and were classified as a reduction of Long-term debt.

As of July 30, 2022 and January 29, 2022 the aggregate fair value of the seven outstanding series of Senior Notes was approximately \$2.4 billion and \$2.6 billion, respectively. As of July 31, 2021 the aggregate fair value of the eight then outstanding series of Senior Notes was approximately \$2.7 billion. The fair value is estimated by obtaining comparable market quotes which are considered to be Level 1 inputs under the fair value measurements and disclosures guidance.

See Note D: Debt, in the Notes to Consolidated Financial Statements included in the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2022, for additional information regarding the terms of the Company's unsecured senior notes.

Revolving credit facilities. In February 2022, the Company entered into a new, \$1.3 billion senior unsecured revolving Credit Agreement (the "2022 Credit Facility"), which replaced its previous \$800 million unsecured revolving credit facility. The 2022 Credit Facility expires in February 2027, and may be extended, at the Company's request and with the consent of the lenders, for up to two additional one year periods, subject to customary conditions. The new facility contains a \$300 million sublimit for issuance of standby letters of credit. It also contains an option allowing the Company to increase the size of its credit facility by up to an additional \$700 million, with the agreement of the committing lenders. The interest rate on borrowings under the 2022 Credit Facility is a term rate based on the Secured Overnight Financing Rate ("Term SOFR") (or an alternate benchmark rate, if Term SOFR is no longer available) plus an applicable margin, and is payable quarterly and upon maturity. The 2022 Credit Facility is subject to a quarterly Consolidated Adjusted Debt to Consolidated EBITDAR financial leverage ratio covenant. As of July 30, 2022, the Company was in compliance with this financial covenant.

As of July 30, 2022, the Company had no borrowings or standby letters of credit outstanding under the 2022 Credit Facility, and the \$1.3 billion credit facility remains in place and available.

The table below shows the components of interest expense and income for the three and six month periods ended July 30, 2022 and July 31, 2021:

(\$000)	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021

Interest expense, net	\$ 10,667	\$ 18,707	\$ 28,363	\$ 37,756

Note F: Taxes on Earnings

The Company's effective tax rates for the three month periods ended July 30, 2022 and July 31, 2021, were approximately 24% and 25%, respectively. The Company's effective tax rate for the six month periods ended July 30, 2022 and July 31, 2021, was approximately 24%. The Company's effective tax rate is impacted by changes in tax law and accounting guidance, location of new stores, level of earnings, tax effects associated with stock-based compensation, and uncertain tax positions.

As of July 30, 2022, January 29, 2022, and July 31, 2021, the reserves for unrecognized tax benefits were \$69.3 million, \$68.1 million, and \$75.6 million, inclusive of \$8.5 million, \$7.6 million, and \$9.7 million of related interest and penalties, respectively. The Company accounts for interest and penalties related to unrecognized tax benefits as a part of its provision for taxes on earnings. If recognized, \$55.5 million would impact the Company's effective tax rate. It is reasonably possible that certain state tax matters may be concluded or statutes of limitations may lapse during the next 12 months. Accordingly, the total amount of unrecognized tax benefits may decrease by up to \$11.5 million. The difference between the total amount of unrecognized tax benefits and the amounts that would impact the effective tax rate relates to amounts attributable to deferred income tax assets and liabilities. These amounts are net of federal and state income taxes.

The Company is open to audit by the Internal Revenue Service under the statute of limitations for fiscal years 2018 through 2021. The Company's state income tax returns are generally open to audit under the various statutes of limitations for fiscal years 2017 through 2021. Certain federal and state tax returns are currently under audit by various tax authorities. The Company does not expect the results of these audits to have a material impact on the condensed consolidated financial statements.

To the Board of Directors and Stockholders of Ross Stores, Inc.:

Results of Review of Interim Financial Information

We have reviewed the accompanying condensed consolidated balance sheets of Ross Stores, Inc. and subsidiaries (the "Company") as of July 30, 2022 and July 31, 2021, the related condensed consolidated statements of earnings, comprehensive income, and stockholders' equity for the three and six month periods ended July 30, 2022 and July 31, 2021, and cash flows for the six month periods ended July 30, 2022 and July 31, 2021, and the related notes (collectively referred to as the "interim financial information"). Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial information for it to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheet of the Company as of January 29, 2022, and the related consolidated statements of earnings, comprehensive income, stockholders' equity, and cash flows for the year then ended (not presented herein); and in our report dated March 29, 2022, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of January 29, 2022 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

This interim financial information is the responsibility of the Company's management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our reviews in accordance with standards of the PCAOB. A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

This section and other parts of this Form 10-Q contain forward-looking statements that involve risks and uncertainties. Our actual results may differ materially from the results discussed in the forward-looking statements. Factors that might cause such differences include, but are not limited to, those discussed below under the caption "Forward-Looking Statements" and also those in Part I, Item 1A (Risk Factors) of our Annual Report on Form 10-K for 2021. The following discussion should be read in conjunction with the condensed consolidated financial statements and notes thereto included elsewhere in this Quarterly Report on Form 10-Q and in conjunction with the consolidated financial statements and notes thereto in our Annual Report on Form 10-K for 2021. All information is based on our fiscal calendar.

Overview

Ross Stores, Inc. operates two brands of off-price retail apparel and home fashion stores -- Ross Dress for Less® ("Ross") and dd's DISCOUNTS®. Ross is the largest off-price apparel and home fashion chain in the United States, with 1,669 locations in 40 states, the District of Columbia, and Guam as of July 30, 2022. Ross offers first-quality, in-season, name brand and designer apparel, accessories, footwear, and home fashions for the entire family at savings of 20% to 60% off department and specialty store regular prices every day. We also operate 311 dd's DISCOUNTS stores in 21 states that feature a more moderately-priced assortment of first-quality, in-season, name brand apparel, accessories, footwear, and home fashions for the entire family at savings of 20% to 70% off moderate department and discount store regular prices every day.

Results of Operations

Sales underperformed our operating plans in the second quarter of fiscal 2022, and were impacted by the inflationary pressures our customers faced as well as an increasingly promotional retail environment. During the quarter, we experienced the deleveraging effects from a comparable store sales decline of 7% after a 15% gain in the second quarter of 2021 (versus 2019), which benefited from record government stimulus and pent-up customer demand as COVID-19 restrictions eased. In addition, we experienced ongoing headwinds from higher freight costs, which were partially offset by lower incentive compensation and COVID-19 costs. These factors resulted in diluted earnings per share of \$1.11 in the second quarter of fiscal 2022, compared to \$1.39 per share in the second quarter of fiscal 2021. We expect the higher freight costs and distribution expenses, which began rising in the second half of 2021, to continue through the third quarter of fiscal 2022, along with higher merchandise markdowns, which will continue through fiscal 2022.

There remains significant uncertainty in the current macro-economic environment, driven by inflation and the contributing impacts from the Russia-Ukraine conflict, increasing interest rates, and concerns of a possible recession. These factors impact both consumer demand and many of the costs in our business. In addition, there continues to be uncertainty surrounding the COVID-19 pandemic, including its unknown duration, the potential for future resurgences and new virus variants, its potential impact on consumer behavior and shopping patterns, and the potential adverse impact on our business.

The following table summarizes the financial results for the three and six month periods ended July 30, 2022 and July 31, 2021:

	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021

¹ Amounts shown are for the three and six month periods of fiscal 2022 compared to the same periods of fiscal 2021 for stores that have been open for more than 14 complete months.

² Amounts shown are for the three and six month periods of fiscal 2021 compared to the same periods of fiscal 2019. Comparable store sales for this purpose represents sales from stores that were open at the end of fiscal 2018, plus new stores opened in fiscal 2019, less stores closed in fiscal 2019 and fiscal 2020.

Stores. We opened 29 new stores in the second quarter of fiscal 2022 and expect to open approximately 100 new stores for the year. Our longer-term strategy is to open additional stores based on market penetration, local demographic characteristics, competition, expected store profitability, and the ability to leverage overhead expenses. We continually evaluate opportunistic real estate acquisitions and opportunities for potential new store locations. We also evaluate our current store locations and determine store closures based on similar criteria.

Sales. Sales for the three and six month periods ended July 30, 2022 decreased \$0.2 billion and \$0.4 billion, respectively, or 4.6% and 4.3%, respectively, compared to the three and six month periods ended July 31, 2021, primarily due to the 7% same store sales declines versus the prior year periods (which benefited from record government stimulus and pent-up customer demand as COVID-19 restrictions eased), combined with escalating inflationary pressures on consumer disposable income in the current quarter and fiscal year to date. These same store sales declines were partially offset by the opening of 84 net new stores between July 31, 2021 and July 30, 2022.

Our sales mix for the three and six month periods ended July 30, 2022 and July 31, 2021 is shown below:

	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021
Ladies	25 %	27 %	25 %	25 %
Home Accents and Bed and Bath	24 %	24 %	25 %	25 %
Men's	16 %	15 %	15 %	14 %

Shoes	13 %	12 %	13 %	13 %
Children's	8 %	8 %	8 %	9 %
Total	100 %	100 %	100 %	100 %

We intend to address the competitive climate for off-price apparel and home goods by pursuing and refining our existing strategies, and by continuing to strengthen our merchant organization, adjust our merchandise mix, and more fully develop our systems to improve our merchandise offerings. We cannot be sure that our strategies and our store expansion program will result in a continuation of our historical sales growth or an increase in net earnings.

Cost of goods sold. Cost of goods sold for the three and six month periods ended July 30, 2022 decreased \$11.3 million and \$13.3 million, respectively, compared to the three and six month periods ended July 31, 2021, primarily due to lower sales, partially offset by the opening of 84 net new stores between July 31, 2021 and July 30, 2022.

Cost of goods sold as a percentage of sales for the three month period ended July 30, 2022 increased approximately 320 basis points compared to the three month period ended July 31, 2021, primarily due to a 205 basis point decline in merchandise margin primarily due to higher ocean freight costs and increased markdowns, an 85 basis point increase in distribution expenses primarily due to a combination of unfavorable timing of packaway inventory carrying costs and deleverage from our new distribution center, deleverage of 55 basis points in occupancy costs, and a 35 basis point increase in domestic freight costs mainly driven by higher fuel costs. These increases were partially offset by a 60 basis point decrease in buying costs primarily due to lower incentive compensation expenses.

Cost of goods sold as a percentage of sales for the six month period ended July 30, 2022 increased approximately 305 basis points compared to the six month period ended July 31, 2021, primarily due to a 185 basis point decline in merchandise margin primarily due to higher ocean freight costs and increased markdowns, a 60 basis point increase in domestic freight costs mainly driven by higher fuel and costs associated with the industry-wide supply chain congestion, a 55 basis point increase in distribution expenses primarily due to deleverage from our new distribution center and higher wages, and deleverage of 50 basis points in occupancy costs. These increases were partially offset by a 45 basis point decrease in buying costs primarily due to lower incentive compensation expenses.

We expect higher freight costs and distribution expenses to continue to impact cost of goods sold in the third quarter of fiscal 2022, along with increased merchandise markdowns, which will continue through fiscal 2022.

Selling, general and administrative expenses. For the three and six month periods ended July 30, 2022, selling, general and administrative expenses ("SG&A") decreased \$50.7 million and \$56.3 million, respectively, compared to the three and six month periods ended July 31, 2021. These decreases were primarily due to lower incentive compensation and COVID-19 costs, partially offset by the opening of 84 net new stores between July 31, 2021 and July 30, 2022.

SG&A as a percentage of sales for the three month period ended July 30, 2022 decreased 40 basis points, compared to the three month period ended July 31, 2021, primarily due to lower incentive compensation and COVID-19 costs which more than offset the deleveraging effect of lower comparable store sales.

SG&A as a percentage of sales for the six month period ended July 30, 2022 increased 5 basis points, compared to the six month period ended July 31, 2021, primarily due to higher wages and the deleveraging effect of lower comparable store sales, partially offset by lower incentive compensation and COVID-19 costs.

We expect our operating costs in fiscal 2022 to continue to reflect the impact from higher wages and inflation.

Interest expense, net. Interest expense, net for the three and six month periods ended July 30, 2022 decreased \$8.0 million and \$9.4 million, respectively, compared to the same periods in the prior year. These decreases were primarily due to higher interest income, lower interest expense on long-term debt due to the repayment of the principal on the \$65.0 million notes in fiscal 2021, partially offset by lower capitalized interest.

Interest expense, net for the three and six month periods ended July 30, 2022 and July 31, 2021 consists of the following:

(\$000)	Three Months Ended		Six Months Ended	
	July 30, 2022	July 31, 2021	July 30, 2022	July 31, 2021
Interest expense on long-term debt	\$ 21,125	\$ 22,205	\$ 42,279	\$ 44,399
Other interest expense	406	291	794	621
Capitalized interest	(1,175)	(3,590)	(3,826)	(6,829)
Interest income	(9,689)	(199)	(10,884)	(435)
Interest expense, net	\$ 10,667	\$ 18,707	\$ 28,363	\$ 37,756

Taxes on earnings. Our effective tax rates for the three month periods ended July 30, 2022 and July 31, 2021, were approximately 24% and 25% respectively. Our effective tax rate for the six month periods ended July 30, 2022 and July 31, 2021 was approximately 24%. Our effective tax rate is impacted by changes in tax law and accounting guidance, location of new stores, level of earnings, tax effects associated with stock-based compensation, and uncertain tax positions.

Net earnings. Net earnings as a percentage of sales for the three month periods ended July 30, 2022 and July 31, 2021 were 8.4% and 10.3%, respectively. Net earnings as a percentage of sales for the three month period ended July 30, 2022 was lower primarily due to higher cost of goods sold, partially offset by lower taxes on earnings, lower SG&A expenses, and lower interest expense.

Net earnings as a percentage of sales for the six month periods ended July 30, 2022 and July 31, 2021 were 8.1% and 10.4%, respectively. Net earnings as a percentage of sales for the six month period ended July 30, 2022 was lower primarily due to higher cost of goods sold and SG&A expenses, partially offset by lower taxes on earnings and lower interest expense.

Earnings per share. Diluted earnings per share for the three month period ended July 30, 2022 was \$1.11 compared to \$1.39 for the three month period ended July 31, 2021. Diluted earnings per share for the six month period ended July 30, 2022 was \$2.08 compared to \$2.73 for the six month period ended July 31, 2021. The \$0.28 and \$0.65 decreases in the diluted earnings per share for the three and six month periods ended July 30, 2022 were primarily attributable to a 22% and 26% decrease in net earnings, partially offset by the 2% reduction in weighted-average diluted shares outstanding, largely due to stock repurchases under our stock repurchase program.

Financial Condition

Liquidity and Capital Resources

The primary sources of funds for our business activities have historically been cash flows from operations and short-term trade credit. Our primary ongoing cash requirements are for merchandise inventory purchases, payroll, operating and variable lease costs, taxes, capital expenditures in connection with new and existing stores, and investments in distribution centers, information systems, and buying and corporate offices. We also use cash to pay dividends, to repay debt as it becomes due, and to repurchase stock under active stock repurchase programs.

(\$000)	Six Months Ended	
	July 30, 2022	July 31, 2021
Cash (used in) provided by operating activities	\$ (56,265)	\$ 1,345,395
Cash used in investing activities	(243,346)	(254,437)
Cash used in financing activities	(718,935)	(415,649)
Net (decrease) increase in cash, cash equivalents, and restricted cash and cash equivalents	\$ (1,018,546)	\$ 675,309

Operating Activities

Net cash used in operating activities was \$0.1 billion for the six month period ended July 30, 2022. This was primarily driven by higher packaway inventory receipts and higher associated payments, combined with shorter payment terms, and by payment of fiscal 2021 incentive bonuses, partially offset by net earnings (excluding non-cash expenses for depreciation, amortization, and stock-based compensation). Net cash provided by operating activities was \$1.3 billion for the six month period ended July 31, 2021. This was primarily driven by net earnings (excluding non-cash expenses for depreciation and amortization), and by higher accounts payable leverage (defined as accounts payable divided by merchandise inventory).

The decrease in cash flow from operating activities for the six month period ended July 30, 2022, compared to the same period in the prior year, was primarily driven by lower accounts payable leverage, payment of fiscal 2021 incentive bonuses, and lower net earnings. Accounts payable leverage was 77% and 148% as of July 30, 2022 and July 31, 2021, respectively. The decrease in accounts payable leverage from the prior year was primarily driven by higher packaway receipts and associated merchandise payments combined with shorter payment terms.

As a regular part of our business, packaway inventory levels will vary over time based on availability of compelling opportunities in the marketplace and our decisions on the timing for release of that inventory. Packaway merchandise is purchased with the intent that it will be stored in our warehouses until a later date. The timing of the release of packaway inventory to our stores is principally driven by the product mix and seasonality of the merchandise, and its relation to our store merchandise assortment plans. As such, the aging of packaway varies by merchandise category and seasonality of purchases, but typically packaway remains in storage less than six months. We expect to continue to take advantage of packaway inventory opportunities to maximize our ability to deliver bargains to our customers.

Changes in packaway inventory levels impact our operating cash flow. As of July 30, 2022, packaway inventory was 41% of total inventory compared to 40% at the end of fiscal 2021. As of July 31, 2021, packaway inventory was 30% of total inventory compared to 38% at the end of fiscal 2020. The year-over-year increase reflects higher receipts used to build our packaway inventory to more normal operating levels and the earlier than expected arrival of merchandise that will flow to stores later in fiscal 2022. The prior year reflects our use of a substantial amount of packaway merchandise to support the increased level of sales.

Investing Activities

Net cash used in investing activities was \$243.3 million and \$254.4 million for the six month periods ended July 30, 2022 and July 31, 2021, respectively, and was related to our capital expenditures. Our capital expenditures include costs to build, expand, and improve distribution centers, open new stores and improve existing stores, and for various other expenditures related to our information technology systems, and buying and corporate offices. The decrease in cash used in investing activities for the six month period ended July 30, 2022, compared to the same period in the prior year, was primarily driven by lower expenditures related to the construction of our Brookshire, Texas distribution center, which opened in the first quarter of fiscal 2022.

Capital expenditures for fiscal 2022 are currently projected to be approximately \$735 million. Our planned capital expenditures for fiscal 2022 are expected to be used for investments in our supply chain to support long-term growth, including construction of our next distribution center, costs for fixtures and leasehold improvements to open planned new Ross and dd's DISCOUNTS stores, investments in certain information technology systems, and for various other needed expenditures related to our stores, distribution centers, and buying and corporate offices. We expect to fund capital expenditures with available cash.

Financing Activities

Net cash used in financing activities was \$718.9 million and \$415.6 million for the six month periods ended July 30, 2022 and July 31, 2021, respectively. The increase in cash used in financing activities for the six month period ended July 30, 2022, compared to the six month period ended July 31, 2021, was primarily due to stock repurchases under our current \$1.9 billion stock repurchase program.

Revolving credit facilities. In February 2022, we entered into a new, \$1.3 billion senior unsecured revolving Credit Agreement (the "2022 Credit Facility"), which replaced our previous \$800 million unsecured revolving credit facility. The 2022 Credit Facility expires in February 2027, and may be extended, at our request and with the consent of the lenders, for up to two additional one year periods, subject to customary conditions. The new facility contains a \$300 million sublimit for issuance of standby letters of credit. It also contains an option allowing us to increase the size of our credit facility by up to an additional \$700 million, with the agreement of the committing lenders. The interest rate on borrowings under the 2022 Credit Facility is a term rate based on the Secured Overnight Financing Rate ("Term SOFR") (or an alternate benchmark rate, if Term SOFR is no longer available) plus an applicable margin, and is payable quarterly and upon maturity. The 2022 Credit Facility is subject to a quarterly Consolidated Adjusted Debt to Consolidated EBITDAR financial leverage ratio covenant. As of July 30, 2022, we were in compliance with this financial covenant.

As of July 30, 2022, we had no borrowings or standby letters of credit outstanding under the 2022 Credit Facility and the \$1.3 billion credit facility remains in place and available.

Senior notes. As of July 30, 2022, we had \$2.5 billion of outstanding unsecured Senior Notes. Refer to Note E: Debt, for further information on the unsecured senior debt.

Other financing activities. In March 2022, our Board of Directors approved a new two-year program to repurchase up to \$1.9 billion of our common stock through fiscal 2023, with the expectation to buyback \$950 million of common stock in fiscal 2022. This new program replaced the previous \$1.5 billion two-year stock repurchase program, effective at the end of fiscal 2021 (at which time we had repurchased \$650 million of stock under the previous \$1.5 billion program).

We repurchased 5.5 million and 1.4 million shares of common stock for \$475.0 million and \$175.8 million during the six month periods ended July 30, 2022 and July 31, 2021, respectively. We also acquired 0.4 million and 0.4 million shares of treasury stock under our employee equity compensation programs, for aggregate purchase prices of approximately \$38.6 million and \$49.0 million during the six month periods ended July 30, 2022 and July 31, 2021, respectively.

Our Board of Directors declared a cash dividend of \$0.310 per common share in March and May 2022, and \$0.285 per common share in March, May, August, and November 2021.

In August 2022, our Board of Directors declared a cash dividend of \$0.310 per common share, payable on September 30, 2022.

For the six month periods ended July 30, 2022 and July 31, 2021, we paid cash dividends of \$217.2 million and \$203.4 million, respectively.

Short-term trade credit represents a significant source of financing for merchandise inventory. Trade credit arises from customary payment terms and trade practices with our vendors. We regularly review the adequacy of credit available to us from all sources and expect to be able to maintain adequate trade credit, bank credit facility, and other credit sources to meet our capital and liquidity requirements, including lease and interest payment obligations.

We ended the second quarter of fiscal 2022 with \$3.9 billion of unrestricted cash balances, and we have \$1.3 billion available under our senior unsecured revolving credit facility. We estimate that existing cash and cash equivalent balances, cash flows from operations, bank credit facility, and trade credit are adequate to meet our operating cash needs and to fund our planned capital investments, common stock repurchases, and quarterly dividend payments for at least the next 12 months.

Contractual Obligations and Off-Balance Sheet Arrangements

The table below presents our significant contractual obligations as of July 30, 2022:

(\$000)	Less than one year	Greater than one year	Total ¹
Recorded contractual obligations:			
Senior notes	\$ —	\$ 2,474,991	\$ 2,474,991
Operating leases	669,619	2,522,200	3,191,819
New York buying office ground lease ²	7,552	1,113,550	1,121,102
Unrecorded contractual obligations:			
Real estate obligations ³	8,877	213,804	222,681
Interest payment obligations	80,316	475,292	555,608
Purchase obligations ⁴	4,145,695	139,115	4,284,810
Total contractual obligations	\$ 4,912,059	\$ 6,938,952	\$ 11,851,011

¹ We have a \$66.3 million liability for unrecognized tax benefits that is included in Other long-term liabilities on our interim Condensed Consolidated Balance Sheet. This liability is excluded from the schedule above as the timing of payments cannot be reasonably estimated.

² Our New York buying office building is subject to a 99-year ground lease.

³ Minimum lease payments for leases signed that have not yet commenced.

⁴ Purchase obligations primarily consist of merchandise inventory purchase orders, commitments related to construction projects, store fixtures and supplies, and information technology services, transportation, and maintenance contracts.

Other than the unrecorded contractual obligations noted above, we do not have any material off-balance sheet arrangements as of July 30, 2022.

Standby letters of credit and collateral trust. We use standby letters of credit outside of our revolving credit facility in addition to a funded trust to collateralize some of our insurance obligations. As of July 30, 2022, January 29, 2022, and July 31, 2021, we had \$3.3 million in standby letters of credit outstanding and \$56.9 million, \$56.7 million, and \$56.7 million, respectively, in a collateral trust. The standby letters of credit are collateralized by restricted cash and the collateral trust consists of restricted cash, cash equivalents, and investments.

Trade letters of credit. We had \$26.6 million, \$19.3 million, and \$32.7 million in trade letters of credit outstanding at July 30, 2022, January 29, 2022, and July 31, 2021, respectively.

Dividends. In August 2022, our Board of Directors declared a cash dividend of \$0.310 per common share, payable on September 30, 2022.

Critical Accounting Estimates

Management's Discussion and Analysis of Financial Condition and Results of Operations is based on our condensed consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of our condensed consolidated financial statements requires our management to make estimates and assumptions that affect the reported amounts. These estimates and assumptions are evaluated on an ongoing basis and are based on historical experience and on various other factors that management believes to be reasonable. The uncertainties and potential impacts from inflation, the Russia-Ukraine conflict, and the ongoing COVID-19 pandemic increase the challenge of making these estimates; actual results could differ materially from our estimates. During the second quarter of fiscal 2022, there have been no significant changes to the critical accounting estimates discussed in our Annual Report on Form 10-K for the year ended January 29, 2022.

Forward-Looking Statements

This report contains a number of forward-looking statements regarding, without limitation, the rapidly developing challenges arising from the COVID-19 pandemic and related economic disruptions, and our plans and responses to them, planned new store growth, capital expenditures, and other matters. These forward-looking statements reflect our then-current beliefs, plans, and estimates with respect to future events and our projected financial performance, operations, and competitive position. The words “plan,” “expect,” “target,” “anticipate,” “estimate,” “believe,” “forecast,” “projected,” “guidance,” “looking ahead,” and similar expressions identify forward-looking statements.

Future impact from the ongoing COVID-19 pandemic, military conflicts and economic sanctions, inflation, interest rate increases, and other economic and industry trends that could potentially impact revenue, profitability, operating conditions, and growth are difficult to predict. Our forward-looking statements are subject to risks and uncertainties which could cause our actual results to differ materially from those forward-looking statements and our previous expectations, plans, and projections. Such risks are not limited to but may include:

- The uncertainties and potential for the recurrence of significant business disruptions arising from the COVID-19 pandemic, including its unknown duration, the potential for new virus variants and future resurgences, as well as possible vaccine mandates or restrictions, and the potential adverse impact on consumer demand and our business.
- Unexpected changes in the level of consumer spending on, or preferences for, apparel and home-related merchandise, which could adversely affect us.
- Impacts from the macro-economic environment, including inflation, housing costs, energy and fuel costs, financial and credit markets and interest rates, recession concerns, geopolitical conditions (including the current Russia-Ukraine conflict), pandemics, or public health and public safety issues, that affect consumer confidence and consumer disposable income.
- Our need to effectively manage our inventories, markdowns, and inventory shortage in order to achieve our planned gross margins.
- Competitive pressures in the apparel and home-related merchandise retailing industry.
- Risks associated with importing and selling merchandise produced in other countries, including risks from supply chain disruptions due to port of exit/entry congestion, shipping delays, and ocean freight cost increases, and risks from other supply chain related disruptions in other countries, including those due to COVID-19 closures.
- Unseasonable weather that may affect shopping patterns and consumer demand for seasonal apparel and other merchandise.
- Our dependence on the market availability, quantity, and quality of attractive brand name merchandise at desirable discounts, and on the ability of our buyers to anticipate consumer preferences and to purchase merchandise to enable us to offer customers a wide assortment of merchandise at competitive prices.
- Information or data security breaches, including cyber-attacks on our transaction processing and computer information systems, which could result in theft or unauthorized disclosure of customer, credit card, employee, or other private and valuable information that we handle in the ordinary course of our business.
- Disruptions in our supply chain or in our information systems, including from ransomware or other cyber-attacks, that could impact our ability to process sales and to deliver product to our stores in a timely and cost-effective manner.
- Our need to obtain acceptable new store sites with favorable consumer demographics to achieve our planned new store openings.
- Our need to expand in existing markets and enter new geographic markets in order to achieve planned market penetration.
- Consumer problems or legal issues involving the quality, safety, or authenticity of products we sell, which could harm our reputation, result in lost sales, and/or increase our costs.
- An adverse outcome in various legal, regulatory, or tax matters, or the adoption of new federal or state tax legislation that increases tax rates or adds new taxes, that could increase our costs.
- Damage to our corporate reputation or brands that could adversely affect our sales and operating results.
- Our need to continually attract, train, and retain associates with the retail talent necessary to execute our off-price retail strategies.
- Our need to effectively advertise and market our business.
- Changes in U.S. tax, tariff, or trade policy regarding apparel and home-related merchandise produced in other countries, which could adversely affect our business.
- Possible volatility in our revenues and earnings.

- An additional public health or public safety crisis, demonstrations, natural or man-made disaster in California or in another region where we have a concentration of stores, offices, or a distribution center that could harm our business.
- Our need to maintain sufficient liquidity to support our continuing operations and our new store openings.

The factors underlying our forecasts are dynamic and subject to change. As a result, any forecasts or forward-looking statements speak only as of the date they are given and do not necessarily reflect our outlook at any other point in time. We disclaim any obligation to update or revise these forward-looking statements.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to market risks, which primarily include changes in interest rates. We do not engage in financial transactions for trading or speculative purposes.

We may occasionally use forward contracts to hedge against fluctuations in foreign currency prices. We had no outstanding forward contracts as of July 30, 2022.

Interest that is payable on our revolving credit facility is based on variable interest rates, and is therefore affected by changes in market interest rates. As of July 30, 2022, we had no borrowings outstanding under our revolving credit facility.

As of July 30, 2022, we have outstanding seven series of unsecured Senior Notes. Interest that is payable on all series of our Senior Notes is based on fixed interest rates, and is therefore unaffected by changes in market interest rates.

Interest is receivable on our short- and long-term investments. Changes in interest rates may impact interest income recognized in the future, or the fair value of our investment portfolio.

A hypothetical 100 basis point increase or decrease in prevailing market interest rates would not have had a material negative impact on our condensed consolidated financial position, results of operations, cash flows, or the fair values of our short- and long-term investments as of and for the three and six month periods ended July 30, 2022. We do not consider the potential losses in future earnings and cash flows from reasonably possible, near-term changes in interest rates to be material.

ITEM 4. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, conducted an evaluation of the effectiveness of our "disclosure controls and procedures" (as defined in Exchange Act Rule 13a-15(e)) as of the end of the period covered by this report. Our disclosure controls and procedures are designed to provide reasonable assurance of achieving their objectives. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective at that reasonable assurance level as of the end of the period covered by this report.

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events.

Quarterly Evaluation of Changes in Internal Control Over Financial Reporting

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, also conducted an evaluation of our internal control over financial reporting to determine whether any change occurred during the second fiscal quarter of 2022 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting. Based on that evaluation, our management concluded that there was no such change during the second fiscal quarter of 2022.

THIS EXECUTIVE EMPLOYMENT AGREEMENT (this “Agreement”) is made effective **July 15, 2022** (the “Effective Date”) by and between Ross Stores, Inc., a Delaware corporation, and **Brian Morrow** (the “Executive”). References herein to the “Company” shall mean Ross Stores, Inc. and, where appropriate, Ross Stores, Inc. and each and any of its divisions, affiliates or subsidiaries.

RECITALS

A. The Company wishes to employ the Executive, and the Executive is willing to accept such employment, as **President and Chief Merchandising Officer - dd's**.

B. It is now the mutual desire of the Company and the Executive to enter into a written employment agreement to govern the terms of the Executive's employment by the Company as of and following the Effective Date on the terms and conditions set forth below.

TERMS AND CONDITIONS

In consideration for the promises of the parties set forth below, the Company and the Executive hereby agree as follows:

1. **Term of Employment.** Subject to the provisions of Section 6 of this Agreement, the term of employment of the Executive by the Company under this Agreement shall begin on the Effective Date and end on **March 31, 2026**, unless terminated earlier in accordance with this Agreement (“Term of Employment”).

2. **Position and Duties.** During the Term of Employment, the Executive shall continue to serve as **President and Chief Merchandising Officer - dd's** (“CMO”) through and until March 31, 2024. On April 1, 2024, the Executive will cease to hold the office of CMO, but will continue to serve as an employee, holding the title of **Consultant**, through March 31, 2026. The Executive shall report to the Chief Executive Officer of the Company (“CEO”) while the Executive is CMO and Consultant. During the Term of Employment, the Executive may engage in outside activities provided (i) such activities (including but not limited to membership on boards of directors of not-for-profit and for-profit organizations) do not conflict with the Executive's duties and responsibilities hereunder and (ii) the Executive obtains written approval from the CEO of any significant outside business activity in which the Executive plans to become involved, whether or not such activity is pursued for profit.

3. **Principal Place of Employment.** While serving as CMO through March 31, 2024, the Executive shall be employed at the Company's offices in **New York, NY**, except for required travel on the Company's business to an extent substantially consistent with present business travel obligations of the Executive's position.

4. **Compensation and Related Matters.**

(a) **Salary.** During the Term of Employment, the Company shall pay to the Executive a salary at a rate of (i) not less than **One Million Thirty Eight Thousand Five Hundred Dollars (\$1,038,500)** per annum while the Executive serves as CMO and (ii) fifty percent (50%) of Executive's final annual rate of salary as CMO while the Executive serves as Consultant. While serving as CMO, the Executive will be eligible for salary increases; while

serving as Consultant, the Executive will not be eligible for salary increases. The Executive's salary shall be payable in substantially equal installments in accordance with the Company's normal payroll practices applicable to senior executives.

(b) **Bonus.** During the Term of Employment, the Executive shall be eligible to receive an annual bonus paid under the Company's existing incentive bonus plan under which the Executive is eligible (which is currently the Incentive Compensation Plan) or any replacement plan that may subsequently be established and in effect during the Term of Employment. The current target annual bonus the Executive is eligible to earn upon achievement of **100%** of all applicable performance targets under such incentive bonus plan is 100% of the Executive's then effective annual salary rate. Annual bonuses are not earned until the date any such bonus is paid in accordance with the terms of the applicable bonus plan. As such, the Executive's termination for Cause or Voluntary Termination (as described in Sections 6(c) and 6(f), respectively) prior to the Company's payment of the bonus for a fiscal year of the Company will cause the Executive to be ineligible for any annual bonus for that fiscal year or any pro-rata portion of such bonus. The annual bonus, if earned for the Company's fiscal year beginning in 2026 (stub year) shall be paid in March 2027.

(c) **Expenses.** During the Term of Employment, the Executive shall be entitled to receive prompt reimbursement for all reasonable expenses incurred by the Executive in performing services hereunder, including, but not limited to, all reasonable expenses of travel and living while away from home, provided that such expenses are incurred and accounted for in accordance with the policies and procedures established by the Company.

(d) **Benefits.** During the Term of Employment, the Executive shall be entitled to participate in all of the Company's employee benefit plans and arrangements in which senior executives of the Company are eligible to participate. The Company shall not make any changes in such plans or arrangements which would adversely affect the Executive's rights or benefits thereunder, unless such change occurs pursuant to a program applicable to all senior executives of the Company and does not result in a proportionately greater reduction in the rights or benefits of the Executive as compared with any other similarly situated senior executive of the Company. The Executive shall be entitled to participate in, or receive benefits under, any employee benefit plan or arrangement made available by the Company in the future to its senior executives, subject to, and on a basis consistent with, the terms, conditions and overall administration of such plans and arrangements. Except as otherwise specifically provided herein, nothing paid to the Executive under any plan or arrangement presently in effect or made available in the future shall be in lieu of the salary or bonus otherwise payable under this Agreement.

(e) **Vacations.** During the Term of Employment through March 31, 2024, the Executive shall be entitled to **twenty-five** vacation days in each calendar year, determined in accordance with the Company's vacation plan. The Executive shall also be entitled to all paid holidays given by the Company to its senior executives. Unused vacation days shall not be forfeited once they have been earned. Unused vacation days accrued through the earlier of the date of the Executive's termination of employment with the Company or March 31, 2024 shall, promptly after such earlier date, be paid to Executive at their then-current value, based on Executive's daily salary rate in effect on Executive's last day serving as CMO.

(f) **Services Furnished.** The Company shall furnish the Executive with office space and such services as are suitable to the Executive's position and adequate for the performance of the Executive's duties during the Term of Employment.

(g) **Post-Termination Health Care Coverage.** If the Executive does not voluntarily terminate employment or is not terminated for Cause prior to March 31, 2026, the

Company shall continue to provide Executive and Executive's spouse/partner with medical, dental, and vision coverage at or equivalent to the level of coverage available to other executives, at the Company's expense, for the eight year period immediately following the Executive's termination date ("Coverage Period"), provided, however that the Executive and Executive's spouse/partner shall be required to enroll in Medicare when eligible and Medicare will be the primary coverage; provided further that in the event such coverage may no longer be extended to Executive following termination of Executive's employment either by the terms of the Company's health care plans or under then applicable law, the Company shall instead reimburse Executive for the amount equivalent to the full cost of substantially equivalent health care coverage to Executive and Executive's spouse/partner through the end of the Coverage Period, and provided further that (i) any such health care coverage or reimbursement for health care coverage shall cease at such time that Executive becomes eligible for health care coverage through another employer and (ii) any such reimbursement shall be made no later than the last day of the calendar year following the end of the calendar year with respect to which such coverage or reimbursement is provided. The Executive must notify the Company within five business days of becoming eligible for such other coverage and promptly repay the Company any benefits the Executive received in error.

(h) **Performance Share Awards.** The Executive shall be eligible to receive Performance Share Awards for the fiscal years of the Company beginning in 2023, 2024 and 2025 ("PS Grants"), provided the Executive continues service with the Company through the respective grant dates. The Executive will be eligible for PS Grants equal to 100% of the level of PS Grants awarded to Presidents of the Company while the Executive serves as CMO and 50% of the level of PS Grants awarded to Presidents while the Executive serves as Consultant. The terms and conditions of the PS Grants will be set forth in a Notice of Grant of Performance Shares, a Performance Share Agreement and the 2017 Equity Incentive Plan (the "PS Documents"). In order to constitute a termination of employment for Good Reason, the Executive must provide written notice to the Company of the existence of the condition giving rise to the Good Reason termination within sixty days of the initial existence of the condition, and in the event such condition is cured by the Company within sixty days from its receipt of such written notice, the termination shall not constitute a termination for Good Reason.

(ii) **Termination in Connection with a Change in Control.** Within the period commencing a month prior to and ending twelve months following a Change in Control, the Executive may terminate the Executive's employment with the Company for "Good Reason," which shall be deemed to occur if, within sixty days after receipt of written notice to the Company by the Executive of the occurrence of one or more of the following conditions, any of the following conditions have not been cured: (i) a failure by the Company to comply with any provision of this Agreement (including, but not limited to, the reduction of the Executive's salary, the target annual bonus opportunity or any other incentive opportunity, in each case, as of immediately prior to the Change in Control); (ii) a change in title, the nature or scope of the authority, power, function, responsibilities, reporting relationships, or duty attached to the position which the Executive currently maintains without the express written consent of the Executive; (iii) the relocation of the Executive's Principal Place of Employment as described in Section 3 to a location that increases the regular one-way commute distance between the Executive's residence and Principal Place of Employment by more than 25 miles without the Executive's prior written consent; (iv) a change in the benefits to which the Executive is entitled to immediately prior to the Change in Control; or (v) the failure of the Company to assign this Agreement to any successor to the Company. In order to constitute a termination of employment for Good Reason, the Executive must provide written notice to the Company of the existence of the condition giving rise to the Good Reason termination within sixty days of the initial existence of the condition, and in the event such condition is cured by the Company within sixty days from its receipt of such written notice, the termination shall not constitute a termination for Good Reason.

(f) **Voluntary Termination.** The Executive may voluntarily resign from the Executive's employment with the Company at any time (a "Voluntary Termination"). A voluntary resignation from employment by the Executive for Good Reason pursuant to Section 6(e) shall not be deemed a Voluntary Termination.

7. **Notice and Effective Date of Termination.**

(a) **Notice.** Any termination of the Executive's employment by the Company or by the Executive during the Term of Employment (other than as a result of the death of the Executive) shall be communicated by written notice of termination to the other party hereto. Such notice shall indicate the specific termination provision in this Agreement relied upon and, except in the case of termination Without Cause and Voluntary Termination as described in Sections 6(d) and 6(f), respectively, shall set forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under that provision.

(b) **Date of Termination.** The date of termination of the Executive's employment shall be:

(i) if the Executive's employment is terminated due to the Executive's death, the date of the Executive's death;

(ii) if the Executive's employment is terminated due to Disability pursuant to Section 6(b), the date of termination shall be the last to occur of the 31st day following delivery of the notice of termination to the Executive by the Company or the end of the consecutive six-month period referred to in Section 6(b); and

(iii) if the Executive's employment is terminated for any other reason by either party, the date on which a notice of termination is delivered to the other party or, in the event of the Company's termination of the Executive, such date as the Company may specify in such notice..

8. **Compensation and Benefits Upon Termination.**

(a) **Termination Due To Disability, Without Cause, or For Good Reason.** If the Executive's employment terminates pursuant to Section 6(b) [Disability], Section 6(d) [Without Cause], or Section 6(e)(i) [Termination by Executive for Good Reason Not in Connection with a Change in Control], then, subject to Section 22 [Compliance with Section 409A], in addition to all salary, annual bonuses, expense reimbursements, benefits and accrued vacation days earned by the Executive pursuant to Section 4 through the date of the Executive's termination of employment, the Executive shall be entitled to the compensation and benefits set forth in Sections 8(a)(i) through (vii), provided that within sixty days following the Executive's termination of employment (i) the Executive has executed and delivered to the Company a general release of claims against the Company and its subsidiaries, affiliates, stockholders, directors, officers, employees, agents, successors, and assigns in the current form approved by the Company and attached as Exhibit A (subject to any amendments required by law or regulation) (the "Release"), and (ii) the Release has become irrevocable:

(i) **Salary.** Commencing on the sixtieth day after the date of the Executive's termination of employment, the Company shall continue to pay to the Executive the Executive's salary, at the rate in effect immediately prior to such termination of employment, through the remainder of the Term of Employment then in effect; provided, however, that any such salary otherwise payable during the 60-day period immediately following the date of such termination of employment shall be paid to the Executive sixty days following such termination of employment.

(ii) **Bonus.** The Company shall continue to pay to the Executive an annual bonus through the remainder of the Term of Employment then in effect; provided,

however, that the amount of the annual bonus determined in accordance with this Section 8(a) (ii) for the fiscal year of the Company ("Fiscal Year") in which such Term of Employment ends shall be prorated on the basis of the number of days of such Term of Employment occurring within such Fiscal Year. The amount of each annual bonus payable pursuant to this Section 8(a) (ii), prior to any proration, shall be equal to the annual bonus that the Executive would have earned had no such termination under Section 8(a) occurred, contingent on the relevant annual bonus plan performance goals for the respective year having been obtained. However, in no case shall any such annual bonus, prior to proration, attributable to any Fiscal Year commencing on or after the first day of the Fiscal Year in which the Executive's termination of employment occurs exceed 100% of the Executive's target bonus for the Fiscal Year in which the Executive's termination of employment occurs. Such bonuses shall be paid on the later of the date they would otherwise be paid in accordance with the applicable Company bonus plan or sixty days after the date of the Executive's termination of employment.

(iii) **Stock Options.** Stock options granted to the Executive by the Company and which remain outstanding immediately prior to the date of termination of the Executive's employment, as provided in Section 7(b), shall remain outstanding until and shall immediately become vested in full upon the Release becoming irrevocable.

The number of such additional shares of restricted stock that shall become vested as of the date of the Executive's termination of employment shall be that number of additional shares that would have become vested through the date of such termination of employment at the rate(s) determined under the vesting schedule applicable to such shares had such vesting schedule provided for the accrual of vesting on a daily basis (based on a 365 day year). The pro rata amount of shares vesting through the date of termination shall be calculated by multiplying the number of unvested shares scheduled to vest in each respective vesting year by the ratio of the number of days from the date of grant through the date of termination and the number of days from the date of grant through the original vesting date of the respective vesting tranche. Any shares of restricted stock remaining unvested after such pro rata vesting shall automatically be reacquired by the Company in accordance with the provisions of the applicable restricted stock agreement, and the Executive shall have no further rights in such unvested portion of the restricted stock. In addition, the Company shall waive any reacquisition or repayment rights for dividends paid on restricted stock prior to Executive's termination of employment.

(v) **Performance Share Awards.** On the Performance Share Vesting Date (as defined in the Executive's Notice of Grant of Performance Shares and Performance Share Agreement from the Company (collectively the "Performance Share Agreement")) next following the Executive's date of termination of employment, the number of Performance Shares that shall become Vested Performance Shares (as defined in the Performance Share Agreement) shall be determined by multiplying (a) that number of shares of Company Common Stock subject to the Performance Share Agreement that would have become Vested Performance Shares had no such termination occurred; provided, however, in no case shall the number of Performance Shares that become Vested Performance Shares prior to proration exceed 100% of the Target Number of Performance Shares set forth in the Performance Share Agreement by (b) the ratio of the number of full months of the Executive's employment with the Company during the Performance Period (as defined in the Performance Share Agreement) to the number of full months contained in the Performance Period. Vested Common Shares shall be issued in

settlement of such Vested Performance Shares on the Settlement Date next following the date of the Executive's termination of employment.

(vi) **Unvested Common Shares Issued in Settlement of Performance Share Awards.** If the Executive terminates employment pursuant to Sections 6(b), 6(d) or 6(e)(i) after the Performance Share Vesting Date, all Unvested Common Shares (as defined in the Performance Share Agreement) issued in settlement of the Performance Share Award shall become vested in full effective as of the date of such termination.

(vii) **Health Care Coverage.** The Company shall continue to provide Executive with medical, dental, vision and mental health care coverage at or equivalent to the level of coverage that the Executive had at the time of the termination of employment (including coverage for the Executive's eligible dependents to the extent such dependents were covered immediately prior to such termination of employment) for the remainder of the Term of Employment, except coverage for dependent will end when dependent is no longer eligible for coverage, if earlier than the Term of Employment end date, **provided, however** that in the event such coverage may no longer be extended to Executive following termination of Executive's employment either by the terms of the Company's health care plans or under then applicable law, the Company shall instead reimburse Executive for Executive's cost of substantially equivalent health care coverage available to Executive under ERISA Section 601 and thereafter and Section 4980B of the Internal Revenue Code (i.e., COBRA coverage) for a period not to exceed the lesser of (A) 18 months after the termination of Executive's employment or (B) the remainder of the Term of Employment, and **provided further** that (1) any such health care coverage or reimbursement for health care coverage shall cease at such time that Executive becomes eligible for health care coverage through another employer and (2) any such reimbursement shall be made no later than the last day of the calendar year following the end of the calendar year with respect to which such coverage or reimbursement is provided. The Executive must notify the Company within five business days of becoming eligible for such other coverage and promptly repay the Company any benefits the Executive received in error.

The Company shall have no further obligations to the Executive as a result of termination of employment described in this Section 8(a) except as set forth in Section 13.

(b) **Termination for Cause or Voluntary Termination.** If the Executive's employment terminates pursuant to Section 6(c) [For Cause] or Section 6(f) [Voluntary Termination], the Executive shall be entitled to receive only the salary, annual bonuses, expense reimbursements, benefits, and accrued vacation days earned by the Executive pursuant to Section 4 through the date of the Executive's termination of employment. Annual bonuses are not earned until the date any such bonus is paid in accordance with the terms of the applicable bonus plan. As such, the Executive shall not be entitled to any bonus not paid prior to the date of the Executive's termination of employment, and the Executive shall not be entitled to any prorated bonus payment for the year in which the Executive's employment terminates. Any stock options granted to the Executive by the Company shall continue to vest only through the date on which the Executive's employment terminates, and unless otherwise provided by their terms, any restricted stock, performance share awards, or other equity awards that were granted to the Executive by the Company that remain unvested as of the date on which the Executive's employment terminates shall automatically be forfeited and the Executive shall have no further rights with respect to such awards. The Company shall have no further obligations to the Executive as a result of termination of employment described in this Section 8(b) except as set forth in Section 13.

(c) **Death.** If the Executive's employment terminates pursuant to Section 6(a) [Death], (i) the Executive's designated beneficiary or the Executive's estate shall be entitled to

receive only the salary, any unpaid annual bonus for the fiscal year of the Company occurring immediately prior to the fiscal year in which the Executive's death occurred, expense reimbursements, benefits, and accrued vacation earned by the Executive pursuant to Section 4 through the date of the Executive's death; (ii) at the time payable under the applicable Company bonus plan, an annual bonus shall be paid to the Executive's designated beneficiary or the Executive's estate for the fiscal year of the Executive's death based on the annual bonus that the Executive would have earned under the Company's bonus plan for such fiscal year had the Executive not died, contingent on the relevant annual bonus plan performance goals for said year having been obtained, capped at 100% of the Executive's target bonus for such fiscal year and pro-rated for the number of days the Executive is employed during such fiscal year until the Executive's death; (iii) any shares of restricted stock granted to the Executive by the Company at least 12 months prior to the Executive's date of death that are unvested as of such date shall immediately become fully vested and any shares of restricted stock granted to the Executive by the Company within the 12-month period ending on the Executive's date of death that are unvested as of such date shall automatically be forfeited and the Executive shall have no further rights with respect to such restricted stock; and (iv) the Company shall waive any reacquisition or repayment rights for dividends paid on restricted stock prior to the Executive's death.

(i) **Performance Share Awards.** On the Performance Share Vesting Date next following the Executive's date of death, the number of Performance Shares that shall become Vested Performance Shares shall be determined by multiplying (a) that number of shares of Company Common Stock subject to the Performance Share Agreement that would have become Vested Performance Shares had no such termination occurred; provided, however, in no case shall the number of Performance Shares that become Vested Performance Shares prior to proration exceed 100% of the Target Number of Performance Shares set forth in the Performance Share Agreement, by (b) the ratio of the number of full months of the Executive's employment with the Company during the Performance Period (as defined in the Performance Share Agreement) to the number of full months contained in the Performance Period. Vested Common Shares shall be issued in settlement of such Vested Performance Shares on the Settlement Date next following the Executive's date of death.

(ii) **Unvested Common Shares Issued in Settlement of Performance Share Awards.** If the Executive dies after the Performance Share Vesting Date, all Unvested Common Shares issued in settlement of the Performance Share Award shall become vested in full effective as of the date of such termination.

(d) **Special Change in Control Provisions.**

a. **Salary.** The Executive shall be entitled to a cash payment equal to 2.99 times the Executive's then-current annual base salary, which shall be paid to the Executive sixty days following such termination of employment. The payment under this Section 8(d)(i)(a) shall take the place of any payment under Section 8(a)(i) and the Executive

shall not be entitled to receive a payment under Section 8(a)(i) if the Executive is entitled to a payment under this Section 8(d)(i) (a).

b. **Bonus.** The Executive shall be entitled to a cash payment equal to 2.99 times the Executive's target annual bonus for the Company's fiscal year then in effect on the date termination of employment occurs, which shall be paid to the Executive sixty days following such termination of employment. All Unvested Common Shares issued in settlement of the Performance Share Award shall become vested effective as of the date of such termination. Except as set forth in this Section 8(d), the treatment of stock options, performance share awards and all other equity awards granted to the Executive by the Company that remain outstanding immediately prior to the date of such Change in Control shall be determined in accordance with their terms.

d. **Estate Planning.** The Executive shall be entitled to reimbursement of the Executive's estate planning expenses (including attorneys' fees) on the same basis, if any, as to which the Executive was entitled to such reimbursements immediately prior to such termination of employment for the remainder of the Term of Employment then in effect.

e. **Health Care Coverage.** The Company shall continue to provide Executive with medical, dental, vision, and mental health care coverage at or equivalent to the level of coverage which the Executive had at the time of the termination of employment (including coverage for the Executive's eligible dependents to the extent such dependents were covered immediately prior to such termination of employment) for the remainder of the Term of Employment, except coverage for dependents will end when dependent is no longer eligible for coverage, if earlier than the Term of Employment end date; **provided, however** that in the event such coverage may no longer be extended to Executive following termination of Executive's employment either by the terms of the Company's health care plans or under then applicable law, the Company shall instead reimburse Executive for Executive's cost of substantially equivalent health care coverage available to Executive under ERISA Section 601 and thereafter and Section 4980B of the Internal Revenue Code (i.e., COBRA coverage) for a period not to exceed 18 months after the termination of Executive's employment; and **provided further** that (1) any such health care coverage or reimbursement for health care coverage shall cease at such time that Executive becomes eligible for health care coverage through another employer and (2) any such reimbursement shall be made by the last day of the calendar year following the end of the calendar year with respect to which such coverage or reimbursement is provided. (ii) **Change in Control Defined.** "Change in Control" means the occurrence of any one or more of the following with respect to the Company:

(1) any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended ("Exchange Act")) acquires during a

twelve-month period ending on the date of the most recent acquisition by such person, in one or a series of transactions, “beneficial ownership” (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing thirty-five percent (35%) or more of the total combined voting power of the Company’s then-outstanding securities entitled to vote generally in the election of directors; provided, however, that a Change in Control shall not be deemed to have occurred if such degree of beneficial ownership results from any of the following: (A) an acquisition by any person who, on the Effective Date of the then current Equity Incentive Plan, is the beneficial owner of thirty-five percent (35%) or more of such voting power; (B) any acquisition directly from the Company, including, without limitation, pursuant to or in connection with a public offering of securities; (C) any acquisition by the Company; (D) any acquisition by a trustee or other fiduciary under an employee benefit plan of the Company; or (E) any acquisition by an entity owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of the voting securities of the Company; or

(2) any of the following events (“Ownership Change Event”) or series of related Ownership Change Events (collectively, a “Transaction”): (A) the direct or indirect sale or exchange in a single or series of related transactions by the stockholders of the Company of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company’s then outstanding securities then entitled to vote generally in the election of directors; (B) a merger or consolidation in which the Company is a party; or (C) the sale, exchange, or transfer of all or substantially all of the assets of the Company (other than a sale, exchange, or transfer to one or more subsidiaries of the Company), provided that with respect to any such Transaction the stockholders of the Company immediately before the Transaction do not retain immediately after such Transaction direct or indirect beneficial ownership of more than fifty percent (50%) of the total combined voting power of the outstanding securities entitled to vote generally in the election of directors or, in the Ownership Change Event described in clause (C), the entity to which the assets of the Company were transferred (the “Transferee”), as the case may be; or

(3) a date specified by the Compensation Committee of the Board following approval by the stockholders of a plan of complete liquidation or dissolution of the Company. For purposes of the preceding sentence, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company or the Transferee, as the case may be, either directly or indirectly or through one or more subsidiary corporations or other business entities. The Committee shall determine whether multiple events described in clauses (1), (2), or (3) are related and to be treated in the aggregate as a single Change in Control, and its determination shall be final, binding and conclusive.

(iii) **Excise Tax - Best After-Tax Result.** In the event that any payment or benefit received or to be received by Executive pursuant to this Agreement or otherwise (“Payments”) would (a) constitute a “parachute payment” within the meaning of Section 280G of the Code and (b) but for this section, be subject to the excise tax imposed by Section 4999 of the Code, any successor provisions, or any comparable federal, state, local, or foreign excise tax (“Excise Tax”), then, subject to the provisions of Section 8(d)(iv), such Payments shall be either (1) provided in full pursuant to the terms of this Agreement or any other applicable agreement, or (2) provided as to such lesser extent which would result in no portion of such Payments being subject to the Excise Tax (“Reduced Amount”), whichever of the foregoing amounts, taking into account the applicable federal, state, local, and foreign income, employment and other taxes and the Excise Tax (including, without limitation, any interest or penalties on such taxes), results in the receipt by Executive, on an after-tax basis, of the greatest amount of payments and benefits provided for hereunder or otherwise, notwithstanding that all or some

portion of such Payments may be subject to the Excise Tax. If Executive's payments or benefits are delivered to a lesser extent in accordance with this clause (2) above, then Executive's aggregate benefits shall be reduced in the following order: (i) cash severance pay that is exempt from Section 409A; (ii) any other cash severance pay; (iii) reimbursement payments under Section 4(c), above; (iv) any restricted stock; (v) any equity awards other than restricted stock and stock options; and (vi) stock options. Unless the Company and Executive otherwise agree in writing, any determination required under this Section shall be made by an independent advisor designated by the Company and reasonably acceptable to Executive ("Independent Advisor"), whose determination shall be conclusive and binding upon Executive and the Company for all purposes. For purposes of making the calculations required under this Section, Independent Advisor may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code; provided that Independent Advisor shall assume that Executive pays all taxes at the highest marginal rate. The Company and Executive shall furnish to Independent Advisor such information and documents as Independent Advisor may reasonably request in order to make a determination under this Section. The Company shall bear all costs that Independent Advisor may incur in connection with any calculations contemplated by this Section. In the event that this Section 8(d)(iii) applies, then based on the information provided to Executive and the Company by Independent Advisor, Executive may, in Executive's sole discretion and within thirty days of the date on which Executive is provided with the information prepared by Independent Advisor, determine which and how much of the Payments (including the accelerated vesting of equity compensation awards) to be otherwise received by Executive shall be eliminated or reduced (as long as after such determination the value (as calculated by Independent Advisor in accordance with the provisions of Sections 280G and 4999 of the Code) of the amounts payable or distributable to Executive equals the Reduced Amount). If the Internal Revenue Service (the "IRS") determines that any Payment is subject to the Excise Tax, then Section 8(d)(iv) hereof shall apply, and the enforcement of Section 8(d)(iv) shall be the exclusive remedy to the Company.

(iv) **Adjustments.** If, notwithstanding any reduction described in Section 8(d)(iii) (or in the absence of any such reduction), the IRS determines that Executive is liable for the Excise Tax as a result of the receipt of one or more Payments, then Executive shall be obligated to surrender or pay back to the Company, within 120 days after a final IRS determination, an amount of such payments or benefits equal to the "Repayment Amount." The Repayment Amount with respect to such Payments shall be the smallest such amount, if any, as shall be required to be surrendered or paid to the Company so that Executive's net proceeds with respect to such Payments (after taking into account the payment of the excise tax imposed on such Payments) shall be maximized. Notwithstanding the foregoing, the Repayment Amount with respect to such Payments shall be zero if a Repayment Amount of more than zero would not eliminate the Excise Tax imposed on such Payments or if a Repayment Amount of more than zero would not maximize the net amount received by Executive from the Payments. If the Excise Tax is not eliminated pursuant to this Section, Executive shall pay the Excise Tax.

(v) **Acquirer Does Not Assume Performance Share Award.** In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "Acquirer"), may, without the consent of the Executive, assume or continue in full force and effect the Company's rights and obligations under a Performance Share Award or substitute for the Award a substantially equivalent award for the Acquirer's stock. For purposes of this Section, a Performance Share Award shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms and conditions of the applicable Company incentive plan and this Agreement, for each Performance Share or Unvested Common Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other

securities or property or a combination thereof) to which a holder of a share of Stock on the effective date of the Change in Control was entitled. Notwithstanding any other provision of this Agreement to the contrary, if the Acquirer elects not to assume, continue, or substitute for the outstanding Performance Share Awards in connection with a Change in Control prior to the Performance Share Vesting Date, (i) the Target Number of Performance Shares shall become fully vested and such Performance Shares shall be deemed Vested Performance Shares and one Vested Common Share shall be issued to the Executive for each such Vested Performance Share immediately prior to the Change in Control and (ii) any Unvested Common Shares issued in settlement of Performance Share Awards shall become fully vested effective immediately prior to the Change in Control, provided that the Executive's employment with the Company has not terminated immediately prior to the Change in Control. The vesting of Performance Shares and settlement of Awards that were permissible solely by reason of this Section shall be conditioned upon the consummation of the Change in Control.

(vi) **Acquirer Does Not Assume Restricted Stock Award.** In the event of a Change in Control, the Acquirer, may, without the consent of the Executive, assume or continue in full force and effect the Company's rights and obligations under a Restricted Stock Award or substitute for the Award a substantially equivalent award for the Acquirer's stock. For purposes of this Section, a Restricted Stock Award shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms and conditions of the applicable Company incentive plan and this Agreement, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property or a combination thereof) to which a holder of a share of Stock on the effective date of the Change in Control was entitled. Notwithstanding any other provision of this Agreement to the contrary, if the Acquirer elects not to assume, continue or substitute for the outstanding Stock Award in connection with a Change in Control, all of the Shares shall become vested immediately prior to the Change in Control, provided that the Executive's employment with the Company has not terminated immediately prior to the Change in Control. The vesting of Shares and settlement of Awards that were permissible solely by reason of this Section shall be conditioned upon the consummation of the Change in Control.

9. **Certain Employment Obligations.**

(a) **Employee Acknowledgement.** The Company and the Executive acknowledge that (i) the Company has a special interest in and derives significant benefit from the unique skills and experience of the Executive; (ii) as a result of the Executive's service with the Company, the Executive will use and have access to some of the Company's proprietary and valuable Confidential Information during the course of the Executive's employment; (iii) the Confidential Information has been developed and created by the Company at substantial expense and constitutes valuable proprietary assets of the Company, and the Company will suffer substantial damage and irreparable harm which will be difficult to compute if, during the Term of Employment or thereafter, the Executive should disclose or improperly use such Confidential Information in violation of the provisions of this Agreement; (iv) the Company will suffer substantial damage and irreparable harm which will be difficult to compute if the Executive competes with the Company in violation of this Agreement; (v) the Company will suffer substantial damage which will be difficult to compute if the Executive solicits or interferes with the Company's employees, clients, or customers; (vi) the provisions of this Agreement are reasonable and necessary for the protection of the business of the Company; and (vii) the provisions of this Agreement will not preclude the Executive from obtaining other gainful employment or service.

(b) **Non-Compete.**

(i) During the period of the Executive's employment with the Company and for a period of 24 months following the Executive's termination of employment with the Company, the Executive shall not, directly or indirectly, own, manage, control, be employed by, consult with, participate in, or be connected in any manner with the ownership, management, operation, control of, or otherwise become involved with, any Competing Business, without the Company's written consent.

For purposes of this Agreement, a Competing Business shall mean any of the following: (1) any off-price retailer including, without limitation, **Burlington Stores, Inc., The TJX Companies, Inc., Stein Mart, Inc. and Gabriel Brothers, Inc.;** (2) **Macy's, Inc.;** and (3) any affiliates, subsidiaries or successors of the businesses identified above.

(ii) Section 9(b)(i) shall not prohibit the Executive from making any investment of 1% or less of the equity securities of any publicly-traded corporation which is considered to be a Competing Business

(c) **Non-Solicitation of Employees.** During the period of the Executive's employment with the Company and for a period of 24 months following the Executive's termination of that employment with the Company, the Executive shall not, without the written permission of the Company or an affected affiliate, directly or indirectly (i) solicit, recruit, attempt to recruit or raid, or have or cause any other person or entity to solicit, recruit, attempt to recruit or raid, or otherwise induce the termination of employment of, any person who is employed by the Company or was employed by the Company during the 6-month period prior to such solicitation, employment, or retainer; (ii) encourage any such person not to devote the Executive's full business time to the Company; or (iii) agree to hire or employ any such person. Executive also shall not use any of the Company's trade secrets to directly or indirectly solicit the employees of the Company.

(d) **Non-Solicitation of Third Parties.** During the period of the Executive's employment with the Company and for a period of 24 months following the Executive's termination of employment with the Company, the Executive shall not in any way use any of the Company's trade secrets to directly or indirectly solicit or otherwise influence any entity with a business arrangement with the Company, including, without limitation, suppliers, sales representatives, lenders, lessors, and lessees, to discontinue, reduce, or otherwise materially or adversely affect such relationship.

(e) **Non-Disparagement.** The Executive acknowledges and agrees that the Executive will not defame or criticize the services, business, integrity, veracity, or personal or professional reputation of the Company or any of its directors, officers, employees, affiliates, or agents of any of the foregoing in either a professional or personal manner either during the Term of Employment or thereafter.

10. **Company Remedies for Executive's Breach of Certain Obligations.**

(a) The Executive acknowledges and agrees that in the event that the Executive breaches or threatens to breach Sections 5 or 9 of this Agreement, all compensation and benefits otherwise payable pursuant to this Agreement and the vesting and/or exercisability of all stock options, restricted stock, performance shares, and other forms of equity compensation previously awarded to the Executive, notwithstanding the provisions of any agreement evidencing any such award to the contrary, shall immediately cease.

(b) The Company shall give prompt notice to the Executive of its discovery of a breach by the Executive of Sections 5 or 9 of this Agreement. If it is determined by a vote of not less than two-thirds of the members of the Board that the Executive has breached Sections 5

or 9 of this Agreement and has not cured such breach within ten business days of such notice, then:

(i) the Executive shall forfeit to the Company (A) all stock options, stock appreciation rights, performance shares and other equity compensation awards (other than shares of restricted stock, restricted stock units, common shares issued in settlement of performance share awards, or similar awards) granted to the Executive by the Company which remain outstanding and unexercised or unpaid as of the date of such determination by the Board (the "Breach Determination Date") and (B) all shares of restricted stock, restricted stock units, and common shares issued in settlement of performance share awards and similar awards granted to the Executive by the Company which continue to be held by the Executive as of the Breach Determination Date to the extent that such awards vested during the Forfeiture Period (as defined below); and

(ii) the Executive shall pay to the Company all gains realized by the Executive upon (A) the exercise by or payment in settlement to the Executive on and after the commencement of the Forfeiture Period of stock options, stock appreciation rights, performance shares and other equity compensation awards (other than shares of restricted stock, restricted stock units or similar awards) granted to the Executive by the Company and (B) the sale on and after the commencement of the Forfeiture Period of shares or other property received by the Executive pursuant to awards of restricted stock, restricted stock units, or similar awards granted to the Executive by the Company and which vested during the Forfeiture Period.

(c) For purposes of this Section, the gain realized by the Executive upon the exercise or payment in settlement of stock options, stock appreciation rights, performance shares, and other equity compensation awards shall be equal to (A) the closing sale price on the date of exercise or settlement (as reported on the stock exchange or market system constituting the principal market for the shares subject to the applicable award) of the number of vested shares issued to the Executive upon such exercise or settlement, reduced by the purchase price, if any, paid by the Executive to acquire such shares, or (B) if any such award was settled by payment in cash to the Executive, the gain realized by the Executive shall be equal to the amount of cash paid to the Executive. Further, for purposes of this Section, the gain realized by the Executive upon the sale of shares or other property received by the Executive pursuant to awards of restricted stock, restricted stock units, or similar awards shall be equal to the gross proceeds of such sale realized by the Executive. Gains determined for purposes of this Section shall be determined without regard to any subsequent increase or decrease in the market price of the Company's stock or taxes paid by or withheld from the Executive with respect to such transactions.

(d) For the purposes of this Section, the "Forfeiture Period" shall be the period ending on the Breach Determination Date and beginning on the earlier of (A) the date six months prior to the Breach Determination Date or (B) the business day immediately preceding the date of the Executive's termination of employment with the Company.

(e) The Executive agrees to pay to the Company immediately upon the Breach Determination Date the amount payable by the Executive to the Company pursuant to this Section.

(f) The Executive acknowledges that money will not adequately compensate the Company for the substantial damages that will arise upon the breach or threatened breach of Sections 5 or 9 of this Agreement and that the Company will not have any adequate remedy at law. For this reason, such breach or threatened breach will not be subject to the arbitration clause in Section 19; rather, the Company will be entitled, in addition to other rights and

remedies, to specific performance, injunctive relief, and other equitable relief to prevent or restrain such breach or threatened breach. The Company may obtain such relief from an arbitrator pursuant to Section 19 hereof, or by simultaneously seeking arbitration under Section 19 and a temporary injunction from a court pending the outcome of the arbitration. It shall be the Company's sole and exclusive right to elect which approach to use to vindicate its rights. The Executive further agrees that in the event of a breach or threatened breach, the Company shall be entitled to obtain an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach, without posting a bond or having to prove irreparable harm or damages, and to obtain all costs and expenses, including reasonable attorneys' fees and costs. In addition, the existence of any claim or cause of action by the Executive against the Company, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by the Company of the restrictive covenants in this Agreement.

(g) **Recoupment.** Executive hereby understands and agrees that the Executive is subject to the Company's recoupment policy. Under the current policy applicable to the Company's senior executives, subject to the discretion and approval of the Board, the Company may, to the extent permitted by governing law, require reimbursement of any cash payments and reimbursement and/or cancellation of any Performance Share or Common Shares issued in settlement of a Performance Share to the Executive where all of the following factors are present: (1) the award was predicated upon the achievement of certain financial results that were subsequently the subject of a material restatement, (2) the Board determines that the Executive engaged in fraud or intentional misconduct that was a substantial contributing cause to the need for the restatement, and (3) a lower award would have been made to the Executive based upon the restated financial results. In each instance, the Company may seek to recover the Executive's entire gain received by the Executive within the relevant period, plus a reasonable rate of interest.

11. **Exercise of Stock Options Following Termination.** If the Executive's employment terminates, Executive (or the Executive's estate) may exercise the Executive's right to purchase any vested stock under the stock options granted to Executive by the Company as provided in the applicable stock option agreement or Company plan. All such purchases must be made by the Executive in accordance with the applicable stock option plans and agreements between the parties.

12. **Successors; Binding Agreement.** This Agreement and all rights of the Executive hereunder shall inure to the benefit of and be enforceable by the Executive's personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees. If the Executive should die while any amounts would still be payable to the Executive hereunder, all such amounts shall be paid in accordance with the terms of this Agreement and applicable law to the Executive's beneficiary pursuant to a valid written designation of beneficiary, as determined by the Compensation Committee in its discretion, or, if there is no effective written designation of beneficiary by the Executive, to the Executive's estate.

13. **Insurance and Indemnity.** The Company shall, to the extent permitted by law, include the Executive during the Term of Employment under any directors and officers' liability insurance policy maintained for its directors and officers, with coverage at least as favorable to the Executive in amount and each other material respect as the coverage of other officers covered thereby. The Company's obligation to provide insurance and indemnify the Executive shall survive expiration or termination of this Agreement with respect to proceedings or threatened proceedings based on acts or omissions of the Executive occurring during the Executive's employment with the Company. Such obligations shall be binding upon the Company's successors and assigns and shall inure to the benefit of the Executive's heirs and personal representatives.

14. **Notice.** For the purposes of this Agreement, notices, demands and all other communications provided for in the Agreement shall be in writing and shall be deemed to have been duly given when delivered or (unless otherwise specified) mailed by United States registered mail, return receipt requested, postage prepaid, addressed as follows:

If to the Executive: Brian Morrow
1372 Broadway
New York, NY 10018

If to the Company: Ross Stores, Inc.
5130 Hacienda Drive
Dublin, CA 94568-7579
Attention: General Counsel

or to such other address as any party may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt.

15. **Complete Agreement; Modification, Waiver; Entire Agreement.** This Agreement, along with any compensation and benefits summary, stock option, restricted stock, performance share, or other equity compensation award agreements between the parties, represents the complete agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, promises or representations of the parties, including any prior employment agreement or similar agreement between the parties, except those relating to repayment of signing and related bonuses, or relocation expense reimbursements. To the extent that the bonus payment provisions (i.e., post-termination bonus payments) provided in this Agreement differ from the provisions of the Company's incentive bonus plans (currently the Incentive Compensation Plan) or any replacement plans, such bonus payments shall be paid pursuant to the provisions of this Agreement except to the extent expressly prohibited by law. Except as provided by Section 22 [Compliance with Section 409A], no provision of this Agreement may be amended or modified except in a document signed by the Executive and such person as may be designated by the Company. No waiver by the Executive or the Company of any breach of, or lack of compliance with, any condition or provision of this Agreement by the other party shall be considered a waiver of any other condition or provision or the same condition or provision at another time. To the extent that this Agreement is in any way deemed to be inconsistent with any prior or contemporaneous compensation and benefits summary, stock option, restricted stock, performance share, or other equity compensation award agreements between the parties, or term sheet referencing such specific awards, the terms of this Agreement shall control. No agreements or representations, oral or otherwise, with respect to the subject matter hereof have been made by either party which are not set forth expressly in this Agreement. This Agreement shall be modified to comply with any federal securities law or rule or any NASDAQ listing rule adopted to comply therewith.

16. **Governing Law - Severability.** The validity, interpretation, construction, performance, and enforcement of this Agreement shall be governed by the laws of the state in which the Executive's principal place of employment described in Section 3 is located without reference to that state's choice of law rules. If any provision of this Agreement shall be held or deemed to be invalid, illegal, or unenforceable in any jurisdiction, for any reason, the invalidity of that provision shall not have the effect of rendering the provision in question unenforceable in any other jurisdiction or in any other case or of rendering any other provisions herein unenforceable, but the invalid provision shall be substituted with a valid provision which most closely approximates the intent and the economic effect of the invalid provision and which would be enforceable to the maximum extent permitted in such jurisdiction or in such case.

17. **Mitigation.** In the event the Executive's employment with the Company terminates for any reason, the Executive shall not be obligated to seek other employment following such termination. However, any amounts due the Executive under Sections 8(a)(i), 8(a)(ii), 8(a)(vii), 8(d)(i)(a), 8(d)(i)(b), 8(d)(i)(d) or 8(d)(i)(e) (collectively, "Mitigable Severance") shall be offset by any cash remuneration, health care coverage and/or estate planning reimbursements (collectively, "Mitigable Compensation") attributable to any subsequent employment or consulting/independent contractor arrangement that the Executive may obtain during the period of payment of compensation under this Agreement following the termination of the Executive's employment with the Company. For any calendar quarter, the Executive shall not be entitled to any Mitigable Severance unless the Executive certifies in writing to the Company on or before the first day of any such calendar quarter the amount and nature of Mitigable Compensation the Executive expects to receive during such quarter. In addition, the Executive must notify the Company within five business days of any increase in the amount and/or nature of Mitigable Compensation not previously reported in the most recent quarterly certification. The Executive shall repay to the Company any Mitigable Severance the Executive received in error within ten days of the receipt of such Mitigable Severance.

18. **Withholding.** All payments required to be made by the Company hereunder to the Executive or the Executive's estate or beneficiaries shall be subject to the withholding of such amounts as the Company may reasonably determine it should withhold pursuant to any applicable law. To the extent permitted, the Executive may provide all or any part of any necessary withholding by contributing Company stock with value, determined on the date such withholding is due, equal to the number of shares contributed multiplied by the closing price per share as reported on the securities exchange constituting the primary market for the Company's stock on the date preceding the date the withholding is determined.

19. **Arbitration.** Except as otherwise provided by applicable law, the Company and Executive shall resolve all disputes or claims relating to or arising out of the parties' employment relationship or this Agreement (including, but not limited to, any claims of breach of contract, wrongful termination, discrimination, harassment, retaliation, failure to accommodate, or wage and hour violations), pursuant to the Federal Arbitration Act and, as applicable, in accordance with the Company's then-current Dispute Resolution Agreement ("Arbitration Agreement"). The Executive and the Company hereby mutually agree that all such disputes shall be fully, finally, and exclusively resolved by binding arbitration in the city in which the Executive's principal place of employment is located. Notwithstanding the Arbitration Agreement, arbitration shall be conducted by JAMS arbitration services pursuant to its Employment Arbitration Rules and Procedures ("JAMS Arbitration Rules") by an arbitrator mutually agreed upon by the parties hereto or, in the absence of such agreement, by an arbitrator selected in accordance with JAMS' then-current Arbitration Rules. To the extent permitted by law, the Company and Executive agree that each may file claims against the other only in their individual capacities, and may not file claims as a named plaintiff, or participate as a class member, in any class or collective action against the other. Nothing in this arbitration provision or the Arbitration Agreement shall prevent either the Executive or the Company from seeking interim or temporary injunctive or equitable relief from a court of competent jurisdiction pending arbitration. This provision fully incorporates the Arbitration Agreement provided, however, that in the event of any conflict between this provision and the Arbitration Agreement, this provision shall govern.

If there is termination of the Executive's employment with the Company followed by a dispute as to whether the Executive is entitled to the benefits provided under this Agreement, then, during the period of that dispute the Company shall pay the Executive 50% of the amount specified in Section 8 hereof (except that the Company shall pay 100% of any insurance premiums provided for in Section 8), if, and only if, the Executive agrees in writing that if the dispute is resolved against the Executive, the Executive shall promptly refund to the Company all

such payments received by, or made by the Company on behalf of, the Executive. If the dispute is resolved in the Executive's favor, promptly after resolution of the dispute the Company shall pay the Executive the sum that was withheld during the period of the dispute plus interest at the rate provided in Section 1274(d) of the Code.

20. **Attorney's Fees.** Except as otherwise provided herein, each party shall bear its own attorney's fees and costs incurred in any action or dispute arising out of this Agreement.

21. **Miscellaneous.** No right or interest to, or in, any payments shall be assignable by the Executive; provided, however, that the Executive shall not be precluded from designating in writing one or more beneficiaries to receive any amount that may be payable after the Executive's death and the legal representative of the Executive's estate shall not be precluded from assigning any right hereunder to the person or persons entitled thereto. This Agreement shall be binding upon and shall inure to the benefit of the Executive, the Executive's heirs and legal representatives and, the Company and its successors.

22. **Compliance with Section 409A.** Notwithstanding any other provision of this Agreement to the contrary, the provision, time and manner of payment or distribution of all compensation and benefits provided by this Agreement that constitute nonqualified deferred compensation subject to and not exempted from the requirements of Code Section 409A ("Section 409A Deferred Compensation") shall be subject to, limited by and construed in accordance with the requirements of Code Section 409A and all regulations and other guidance promulgated by the Secretary of the Treasury pursuant to such Section (such Section, regulations and other guidance being referred to herein as "Section 409A"), including the following:

(a) **Separation from Service.** Payments and benefits constituting Section 409A Deferred Compensation otherwise payable or provided pursuant to Section 8 upon the Executive's termination of employment shall be paid or provided only at the time of a termination of the Executive's employment that constitutes a Separation from Service. For the purposes of this Agreement, a "Separation from Service" is a separation from service within the meaning of Treasury Regulation Section 1.409A-1(h).

(b) **Six-Month Delay Applicable to Specified Employees.** If, at the time of a Separation from Service of the Executive, the Executive is a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) (a "Specified Employee"), then any payments and benefits constituting Section 409A Deferred Compensation to be paid or provided pursuant to Section 8 upon the Separation from Service of the Executive shall be paid or provided commencing on the later of (i) the date that is six months after the date of such Separation from Service or, if earlier, the date of death of the Executive (in either case, the "Delayed Payment Date"), or (ii) the date or dates on which such Section 409A Deferred Compensation would otherwise be paid or provided in accordance with Section 8. All such amounts that would, but for this Section 22(b), become payable prior to the Delayed Payment Date shall be accumulated and paid on the Delayed Payment Date.

(c) **Health Care and Estate Planning Benefits.** In the event that all or any of the health care or estate planning benefits to be provided pursuant to Sections 8(a)(vii); 8(d)(i)(d) or 8(d)(i)(e) as a result of a Participant's Separation from Service constitute Section 409A Deferred Compensation, the Company shall provide for such benefits constituting Section 409A Deferred Compensation in a manner that complies with Section 409A. To the extent necessary to comply with Section 409A, the Company shall determine the health care premium cost necessary to provide such benefits constituting Section 409A Deferred Compensation for the applicable coverage period and shall pay such premium cost which becomes due and payable during the applicable coverage period on the applicable due date for such premiums; provided,

however, that if the Executive is a Specified Employee, the Company shall not pay any such premium cost until the Delayed Payment Date. If the Company's payment pursuant to the previous sentence is subject to a Delayed Payment Date, the Executive shall pay the premium cost otherwise payable by the Company prior to the Delayed Payment Date, and on the Delayed Payment Date the Company shall reimburse the Executive for such Company premium cost paid by the Executive and shall pay the balance of the Company's premium cost necessary to provide such benefit coverage for the remainder of the applicable coverage period as and when it becomes due and payable over the applicable period.

(d) **Stock-Based Awards.** The vesting of any stock-based compensation awards which constitute Section 409A Deferred Compensation and are held by the Executive, if the Executive is a Specified Employee, shall be accelerated in accordance with this Agreement to the extent applicable; provided, however, that the payment in settlement of any such awards shall occur on the Delayed Payment Date. Any stock based compensation which vests and becomes payable upon a Change in Control in accordance with Section 8(d) shall not be subject to this Section 22(d).

(e) **Change in Control.** Notwithstanding any provision of this Agreement to the contrary, to the extent that any amount constituting Section 409A Deferred Compensation would become payable under this Agreement by reason of a Change in Control, such amount shall become payable only if the event constituting a Change in Control would also constitute a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company within the meaning of Section 409A.

(f) **Installments.** Executive's right to receive any installment payments payable hereunder shall be treated as a right to receive a series of separate payments and, accordingly, each such installment payment shall at all times be considered a separate and distinct payment for purposes of Section 409A.

(g) **Reimbursements.** To the extent that any reimbursements payable to Executive pursuant to this Agreement are subject to the provisions of Section 409A of the Code, such reimbursements shall be paid to Executive no later than December 31 of the year following the year in which the cost was incurred; the amount of expenses reimbursed in one year shall not affect the amount eligible for reimbursement in any subsequent year; and Executive's right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

(h) **Rights of the Company; Release of Liability.** It is the mutual intention of the Executive and the Company that the provision of all payments and benefits pursuant to this Agreement be made in compliance with the requirements of Section 409A. To the extent that the provision of any such payment or benefit pursuant to the terms and conditions of this Agreement would fail to comply with the applicable requirements of Section 409A, the Company may, in its sole and absolute discretion and without the consent of the Executive, make such modifications to the timing or manner of providing such payment and/or benefit to the extent it determines necessary or advisable to comply with the requirements of Section 409A; provided, however, that the Company shall not be obligated to make any such modifications. Any such modifications made by the Company shall, to the maximum extent permitted in compliance with the requirements of Section 409A, preserve the aggregate monetary face value of such payments and/or benefits provided by this Agreement in the absence of such modification; provided, however, that the Company shall in no event be obligated to pay any interest or other compensation in respect of any delay in the provision of such payments or benefits in order to comply with the requirements of Section 409A. The Executive acknowledges that (i) the provisions of this Section 22 may result in a delay in the time at which

payments would otherwise be made pursuant to this Agreement and (ii) the Company is authorized to amend this Agreement, to void or amend any election made by the Executive under this Agreement and/or to delay the payment of any monies and/or provision of any benefits in such manner as may be determined by the Company, in its discretion, to be necessary or appropriate to comply with Section 409A (including any transition or grandfather rules thereunder) without prior notice to or consent of the Executive. The Executive hereby releases and holds harmless the Company, its directors, officers and stockholders from any and all claims that may arise from or relate to any tax liability, penalties, interest, costs, fees or other liability incurred by the Executive as a result of the application of Code Section 409A.

23. **Future Equity Compensation.** The Executive understands and acknowledges that all awards, if any, of stock options, restricted stock, performance shares, and other forms of equity compensation by the Company are made at the sole discretion of the Board or such other committee or person designated by the Board. The Executive further understands and acknowledges, however, that unless the Executive has executed this Agreement and each successive amendment extending the Term of Employment as may be agreed to by the Company and the Executive, it is the intention of the Board and the Executive that, notwithstanding any continued employment with the Company, (a) the Company shall have no obligation to grant any award of stock options, restricted stock, performance shares, or any other form of equity compensation which might otherwise have been granted to the Executive on or after the intended commencement of the Initial Term or any Extension thereof for which the Executive has failed to sign the Agreement or the applicable Extension amendment and (b) any such award which is nevertheless granted to the Executive after the intended commencement of the Initial Term or any Extension thereof for which the Executive has failed to sign such Agreement or applicable Extension amendment shall not vest unless and until the Executive has executed the Agreement or applicable Extension amendment, notwithstanding the provisions of any agreement evidencing such award to the contrary.

IN WITNESS WHEREOF, the parties have executed this Executive Employment Agreement effective as of the date and year first above written.

5. Executive agrees to release and discharge Ross not only from any and all claims which Executive could make on Executive's own behalf but also specifically waive any right to become, and promise not to become, a member of any class in any proceeding or case in which a claim or claims against Ross may arise, in whole or in part, from any event which occurred as of the date of this Agreement. Executive agrees to pay for any legal fees or costs incurred by Ross as a result of any breach of the promises in this paragraph. The parties agree that if Executive, by no action of Executive's own, becomes a mandatory member of any class from which Executive cannot, by operation of law or order of court, opt out, Executive shall not be required to pay for any legal fees or costs incurred by Ross as a result. Notwithstanding the above, this Agreement does not prevent Executive from filing (i) a charge of discrimination with the Equal Employment Opportunity Commission, although by signing this Agreement Executive waives Executive's right to recover any damages or other relief in any claim or suit brought by or through the Equal Employment Opportunity Commission or any other state or local agency on Executive's behalf under any federal or state discrimination law, except where prohibited by law, (ii) an application to the Securities and Exchange Commission for whistleblower awards and obtaining such awards under Section 21F of the Securities Exchange Act, or (iii) a claim with a government agency and recovering damages or other relief related to such claim, where preventing an employee from filing such a claim and receiving such damages or relief is prohibited by law.

10. This Agreement has been made in the State of New York and the law of said State shall apply to it. If any part of this Agreement is found to be invalid, the remaining parts of the Agreement will remain in effect as if no invalid part existed.

Executive acknowledges that Executive has not relied on any representations, promises, or agreements of any kind made to Executive in connection with Executive's decision to accept this Agreement except for those set forth in this Agreement.
12. Executive further agrees to make Executive available as needed and fully cooperate with Ross in defending any anticipated, threatened, or actual litigation that currently exists, or may arise subsequent to the execution of this Agreement. Such cooperation includes, but is not limited to, meeting with internal Ross employees to discuss and review issues which Executive was directly or indirectly involved with during employment with Ross, participating in any investigation conducted by Ross either internally or by outside counsel or consultants, signing declarations or witness statements, preparing for and serving as a witness in any civil or administrative proceeding by both depositions or a witness at trial, reviewing documents, and similar activities that Ross deems necessary.
